Dear Principal Maam

1. I am writing to you to put on record my gratitude and appreciation for Lt (Dr) Archana Aggarwal, ANO of your college.
2. She was able to keep cadets motivated throughout the period of two years during my command of this unit. Her professional ethos speaks for itself which was evident in her performance in PRCN Course and also in various camps & NCC activities.
3. She was instrumental in initiating case which now authorizes NCC cadets to travel by AC III rather than sleeper class (a quantum jump in ensuring safety of our cadets during travelling). We could achieve this because of her efforts.

*With warm Regards wishing
you and your students "All the Best"*

Yours Sincerely
