## PRINCIPAL'S MESSAGE

Dear Students,

Education shapes us into evolved individuals and promising citizens. It expands our mental horizons, enhances sensitivity towards our fellow beings and enables us to effectively contribute to the world we all are a part of. It is not merely an intellectual pursuit, but involves shaping of values, character, skills and perspective. At Maitreyi College, learning is defined by, but not limited to the degree and other courses offered by us in the disciplines of Science, Commerce and Humanities. Education here is an experience that prepares young women to venture into the world on the strength of their knowledge, character and vision.

At Maitreyi, we are a family, a 'kutumb', where everyone is committed to the cause of growth and learning. As you join this institution, you will find yourself surrounded with a wide range of opportunities. What stands out is the training in research that has been a significant recent step. With a dedicated research cell and a research journal of our own, we believe in training academics young. Your journey in this institution, at all times, will be supplemented with the necessary support and guidance from the members of our staff. Teachers work with dedication and commitment, helping you master not just your subject, but also acquire the ability to think for yourselves and evolve your own unique point of view. With a robust background in research and pedagogy, teachers at Maitreyi are academic experts, who have made a mark in both national and international scholarship. The administrative staff works tirelessly, facilitating your smooth transition from school to college. Also, the lush and vibrant environs of our college are merely a visual delight. They symbolize the central role of nature in human life, a fact we all must respect and adequately acknowledge.

Our College has seen tremendous growth in recent years. Four of our Science departments have been awarded STAR status by the Department of Biotechnology, Govt. of India. Maitreyi College has also been accredited with 'A' grade by the National Assessment and Accreditation Council. The College was graded after a close scrutiny of teaching methods, research skills of the faculty and students, student progression and infrastructural development. This grade is a testimony to the perseverance, devotion and commitment to the cause of education.

At Maitreyi, we believe in being early adaptors, updating pedagogical strategies to suit the evolving trends and needs. Theory must meet application, in order to make learning experience a comprehensive one. And with the right approach, dear students, you have the opportunity of re/discovering your potential and sharpening your acumen in both curricular and extra-curricular aspects. You will find a host of platforms offered to you by the college, at both inter and intra-college levels. Addressing the increasing relevance of interdisciplinarity, the College has also recently conceptualized a one of its kind interdisciplinary academic fest 'Apgaahan'. As a student of Maitreyi College, you must familiarize yourself with these diverse opportunities made available to you and make the most of them.

With the University continuing in the online mode, as per guidelines, we have been following the online model for both, the admissions and teaching. Mindful of diverse students joining our College, we have a well-structured mechanism for a smooth execution of online processes, along with the requisite support resources.

On behalf of the Maitreyi kutumb, I welcome you to the institution! With zeal in your heart and commitment in thought, I hope you shall make the most of your education at Maitreyi College. You come to us as fledglings, undergo training, you grow and finally emerge as beautiful birds ready to soar high and scale new heights. I am confident that each of you will make an indelible mark, in your own unique way, making your parents, institution and your country proud!

**Best Wishes**  
**Dr. Haritma Chopra**

## **VIDUSHI MAITREYI**

Maitreyi College, a constituent College of the University of Delhi, was founded in 1967 by the Delhi administration. The College community is proud to bear the name of Maitreyi, who was an eminent scholar of the Vedic period and the wife of sage Yajnavalakya. She had keen interest in philosophical knowledge and cultivated a thirst for theological truths since early age. She was interested in gaining knowledge of the Vedas, Upanishads and Sastras. Maitreyi chose knowledge over worldly possessions, when asked by her husband to make a choice between the two.

The great Maitreyi Upanishad is a contribution to the world of theology which explains with many analogies and metaphors the concept of self, atman, as the ultimate reality, emphasizing the value of renunciation. The dialogue between Maitreyi and Yajnavalakya in Brihadaranyaka Upanishad shows her as an empowered woman, determined to attain self-realization through knowledge. It has been our objective to weave these values into the fabric of our education system, which is a blend of the best of tradition and modernity.

## **ABOUT THE COLLEGE**

The College made a modest beginning at Netaji Nagar with a staff of seventeen teachers offering only B.A. (Pass) and B.Sc. (General) courses. It has since made rapid progress both in size and stature. Presently the College campus in Chanakyapuri is spread over ten acres of land in lush green surroundings with extensive playgrounds and open spaces. We have a distinguished faculty and an efficient and supportive non-teaching staff.

The College offers Honours in Science, Commerce and Humanities at the undergraduate level and also postgraduate courses in Mathematics and Political Science. Certificate and diploma courses in Journalism, French, Spanish and Web-designing are offered as non-credit add-on courses. There is provision for remedial coaching classes for benefit of students as and when they require it. For an all-round development of our students, several programmes are initiated to increase awareness about health and fitness, legal aid services, disaster management and self-defense.

The College has many 'firsts' to its credit- it is the first College in the University of Delhi to offer PG Diploma in Nanotechnology and the first to adopt e-learning methodology to create teaching material and evaluation quizzes for which an e-lab has also been set up. Our College also initiated an endeavour to bridge the gap between disciplines through 'Avgaahan', a first of its kind interdisciplinary academic fest. With an aim to inculcate research and analytical skills of students, College instituted its 'Research and Incubation Centre' in 2018. The College has also organised the first ever Tedx event with the theme "A Proposal Towards Humanity". Through various training programs and activities, the college bridges the gap between industry and academics by contributing to the growth and personality development of students through departmental magazines, summer research projects and various start-up initiatives by the Entrepreneurship Cell.

Apart from our excellence in academics, we have an established tradition of continuous achievements in the fields of sports, NCC, NSS and cultural activities. The College has established sports centre and facility dedicated to promote 'netball' among young and enthusiastic girls of our country. This facility has been named 'Pragati', and aims to impart physical ability as well as techniques and training for playing netball in India. Country's first 'Sashakt' Nodal Sports Centre for PwD has been running at Maitreyi College, in which national and international level paralympic & basketball players practice. We look forward to the whole-hearted participation and involvement of our students in the academic and cultural life of the College.

As a part of outreach activity, Maitreyi College has collaborated with Sanskriti School with an objective of providing life skill training and hands on learning opportunities to the children with special needs of Sanskriti School wherein they put up a food stall in our College once a month.

The new four-storey science block is set to be operational soon, which comprises of fully equipped laboratories, lecture theatres, class rooms and faculty rooms. Professor Yogesh Tyagi, Vice Chancellor, University of Delhi laid the foundation stone of hostel recently. The four storey residential facility would house 94 students. It will have reading room, gymnasium, a common room for recreation, an activity room, dining hall, kitchen and warden's residence. The hostel would accommodate both National and International students and rooms would be allocated on the basis of merit and distance from the College.

Names of candidates accepted for admission to M.A. will appear in the list of South Campus office at Benito Juarez Marg, Dhaula Kuan, New Delhi- 110021.

### **ADMISSION PROCEDURE**

- The admission process for Merit based UG admission will be uploaded on the website of the University of Delhi. All aspirants must register online as per the procedure and schedule that will be notified on the University of Delhi website.
- Only eligible applicants who have registered online through the University portal can be considered for admission.
- Applicants will be required to appear in person at the University of Delhi only at the very end of the admission process, for verification of certificates as per the schedule to be announced by the University/ College.
- All other admission procedures are to be completed by the applicant using the unique login ID they create on the Delhi University Undergraduate admissions portal (Registration process to be announced on the University website).

For all applicants seeking admission to the I year of B.A. (Hons.)/ B.A. (Prog.)/ B.Sc. (Hons)/ B.Sc. (Prog.)/ B.Com. (Hons.)/ B.Com. (Prog.):

- The marks entered by the applicant will serve as the basis for computing the total marks for course-specific combinations of 'Best Four' Subjects for admission in courses through the faculties of Arts, Commerce, Mathematical Sciences, Social Sciences, and Humanities, and 'Three Subjects' for admission in courses under faculties of Sciences and Applied Sciences. Please refer to List A, List B and additional eligibility criteria in the following tables on next page.
- All academic subjects may be treated as “elective.”
- The University may define any other relevant subjects as academic/elective for a particular course.

- For admission to some courses, inclusion of any subject other than those from List A and List B, may lead to a deduction of 2.5% per such subject in the aggregate of " Best Four" percentage.
- Where language subjects are permitted/included in course-specific eligibility/ merit computations, if an applicant has studied elective and core languages, the core/elective language subject will be treated as language, while elective language can be considered as academic/elective subject.
- For admission to BA (Hons.) courses, "Best Four" may include a maximum of two language subjects, in which one core language and one elective language subject, or two elective language subjects (from List A) may be included.
- For admission to Honours in any language course, advantage of 2% in the 'Best Four' percentage will be given to those applicants who have studied that particular elective language. In some cases (Honours courses in some languages) a deduction of 5% is applicable where the applicant has not studied the language in the qualifying examination.
- For admission to B.A (Hons) courses offered by the Faculty of Social Sciences, a deduction of 2.5% is applicable where the applicant has not studied the concerned subject in which admission is sought.
- For admission to B.Com courses, a deduction of 1% is applicable if certain subjects are not included in the calculation.
- For admission to some B.Sc/ B.Voc courses, an advantage/ relaxation (varies from course to course) is given to applicants who have studied particular subjects in the qualifying examination.
- Applicants should have passed theory and practical separately. Any paper with both theory and practical component will be considered only in the ratio 70 (theory): 30 (practical) if the theory component of the paper is less than 70%.
- "Internal Assessment" marks mentioned in the marksheet will not be used for any calculations.

Under the series of online competitions organized during Rhapsody’21, Nrityakriti curated two online dance competitions: MALANG- Solo/ Duet Folk Dance Competition and PRATYANG- Solo Classical Dance Competition.

**PRAKRITI- Eco Club**

Prakriti, the eco club of Maitreyi College, aims at sensitizing people towards earth, nature, and life. It remains active throughout the academic session and organizes several webinars and online competitions that generate awareness on important environmental issues among the students and teachers.

**RIYAAZ- Indian Music Society**

Riyaaaz, is a group of young music enthusiasts who delve into finding peace and tranquillity by reaching out to every possible genre of Indian music. Raagas, Ghazals, Sufi and Bollywood music are the fortes of the society. It not only focuses on winning accolades, but also bringing harmony to one's life and positivity to others through its music. Over the span of a few years, Riyaaaz is seen to have risen to become a well-coordinated and dedicated band of talented girls. Riyaaaz organizes its annual fest ‘SWAROTSAV’, wherein students participate from all over India. ‘SWAROTSAV’ consists of different components: AAROHI (Indian classical/ Light solo competition) and SWARAGINI (Indian Instrumental Competition).

**TRENCHANT- English Debating Society**

Trenchant, the english debating society, is best known for its participation in competitions such as parliamentary debate, conventional debate, creative writing, paper presentation, model united nations, etc. on an inter-College and inter-University level. It has three wings: the Parliamentary Debate Wing (PD), the Model United Nations Wing (MUN) and the Creative Writing Wing (CW). Since the primary mode of communication has shifted online, the members have been able to access a much greater variety of competitions, both nationally and internationally. The members have shown their utmost dedication towards society through regularly attending sessions, accommodating with the uncertainties caused by the pandemic, or bagging numerous laurels.

**VAACHIK- Hindi Debating Society**

The society aims to train students to express their independent, logical and analytical opinions through the Hindi language on the subject and improve their communication skills based on the facts and figures. This society, having 17 students, has set up new horizons of success in the academic year 2020-2021 by winning 11 first, 8 second and 9 third prize in State as well as National debate, poem, slogan and essay writing competitions. The society, along with Students’ Union of the College, organized for the first time an online debate competition, titled ‘Aatm Nirbhar Bharat Vartmaan Samay Ke Avashyakta Hai’ on the

occasion of Independence Day. The students of the society won many first and second prizes in online debate events organized by various colleges of Delhi University.

### **VISTA- Photography Society**

VISTA is a bundle of people who thrive to capture moments with a camera always in their hands. It's a close-knit family that provides its members' freedom to explore and nourish their skills while helping them carve a niche for themselves. The society has been the birthing ground of the best photographers of Maitreyi College each year. The society has been very active throughout the session and the team organized numerous online photography events, competitions, workshops and photowalks.

### **ZEAL- Western Dance Society**

Zeal, the western dance society of the Maitreyi College is defined by its bounteous energy, unrelenting dedication, creativity and passion for dance. Apart from the colleges of Delhi University, Zeal has done exceptionally well in various outstation fests by securing many prizes. The society organized an online dance competition 'Match the Beat', which received participation from the universities all over India.

## **FACILITIES**

### **LIBRARY AND READING ROOM**

The Library block is located in a spacious two-storied building. The ground floor houses the book stacks, the periodical section and the circulation counter. The first floor has a separate reference section and reading room facility for students and staff. The library has an extensive collection, which includes print and non-print material as well as e-resources like CDs, DVDs, e-journals, e-books. The library has a corpus of more than 99,307 print books and 678 CDs. It subscribes to 57 Journals, including popular magazines, and a collection of 23 newspapers. The library subscribes N-LIST Consortium, which covers 6,000+ ejournals, 1,64,300+ ebooks under N-LIST and 6,00,000 ebooks through NDL. The College Library continues to be the member of DELNET (Developing Library Network), which specially caters our need through Inter Library Loan. It consists of a huge number of e-resources like e-journals, e-books, online dictionaries, thesis and dissertations etc. Library has created its own Institutional repository using DSPACE software, which is accessible in the library only. The College has 15 very well equipped laboratories for practical in subjects like Computer Science, Chemistry, Botany, Zoology and Physics. A new Science Block will be functional in the upcoming session.

**BOOKSTORE**

The College bookstore offers a wide selection of texts and other books. Various stationery items and mementos are also available.

**ENABLING UNIT AND EQUAL OPPORTUNITY CELL**

The Enabling Unit provides internet, scanning (in bi-lingual mode) and printing facility to all its members and students. It organized a number of National Webinars during the academic session. Equal Opportunity Cell has renewed Writer and Reader's Bank which was developed as per the new examination policy of Delhi University for Persons with Disabilities. This bank always helps the students as well as faculty members belonging to the PwD category whenever required. Enabling Unit, in collaboration with the School of Indic Studies, Institute of Advanced Science organized a Three Months Certificate Course of Skill Development (International Level) on 'Applications of Digital Tools in Teaching and Learning Indian Languages'. It also conducted India's Two Week Faculty Development Program/ Refresher Course on 'Emerging Accessible Technologies for Teachers in Higher Education'.

**PLACEMENT CELL**

The placement cell acts as a liaison between the corporate world and the prospective students. It helps to identify the potential capabilities of the students and guide them towards the right career path. It focuses on providing the students with ample opportunities be it jobs or internships to choose from in the fields of arts, sciences and commerce. The placement cell conducts seminars, workshops and career counseling sessions for skill enhancement with a prime focus on providing career guidance. In the academic session 2020-21, in the middle of a pandemic, where people were losing their jobs, the cell opened a door of opportunities for the students of the college as well as students from different colleges registered in Delhi during Envision 3.0, the Annual Job and Internship Fair. The cell has brought in 65 companies offering jobs to over 75 students out of 270 registrants with the average salary offered being ₹4.8 lakh. The recruiters were companies like DE Shaw Group, MedicFibres, Bajaj Capital, Amazon, and many more.

**ACHIEVEMENT CELL**

The Achievement Cell works to harness the power of Maitreyians as a community by bringing to the forefront their achievements and training them in diverse areas. Its goal is to build a strong legacy for the institution. In this regard, over 80+ high achieving students have been identified since its inception in August 2018. The team conducts group discussions on issues of international importance, hosts competitions, projects, and collaborates with other societies and cells in order to create a spirit of excellence among students and to make Maitreyi College a promising path to success.

### **MERAKI- The Entrepreneurship Cell**

Meraki, the entrepreneurship cell was founded in the year 2019, with the objective to provide a learning platform to the budding women entrepreneurs of Maitreyi College. Throughout the session, Meraki organized a series of Webinars, Campaigns, Start-ups, Projects, Competitions and 'The Annual E-Summit Entrescope'21. It launched a total of 4 start-ups with different objectives. A number of startups, in collaboration with other students' societies and committees are ongoing; like, ECOHANDY, an initiative to make and sell paper-based pens; STAY MENTOR, a startup that aims at providing housing solutions to outstation students of Maitreyi College.

### **HEALTH AND HYGIENE COMMITTEE**

Health & hygiene committee of the college is an active committee to generate health awareness amongst students, teaching and non-teaching staff. During the academic session 2020-21, it organized several webinars like 'Immunity through Nutrition', 'Online Teaching-Learning and Eye Care', 'Orthopaedic Care and Precautions', and 'Breast Cancer: Prevention and Early Detection'.

### **INTERNAL COMPLAINTS COMMITTEE**

The internal complaints cell against sexual harassment has its goal to spread awareness, extend support, and attempt to come up with solutions. It organized various online inter-college competitions in its fest called 'Adamyia' to create awareness on gender related issues. It published two issues of its bilingual e-magazine, Samvedna, during the academic session 2020-21, and were uploaded on the college website.

### **GARDEN**

The College is proud of its well-maintained, beautiful lush green lawns, trees, plants, rock garden, rose garden and gerbal garden. To create and nurture a natural, peaceful fascinating ambience with the natural world is the heart of the college garden's mission. There is also a Garden Club 'Pristine' in the college, with the aim to connect students with nature and initiate new garden features and environment friendly activities to inspire and strengthen college's commitment to the environment. The students of the club have successfully embraced the changes needed to respond to the challenges of climate change by means of reusing the waste plastic bottles as planters, waste bins and sitting stools.

The dedicated gardeners are essential to achieving our mission and the number of awards the college receives at the Delhi University flower show held annually can see their hard work. This year also the College won many laurels like, best herbal garden in the University-Meenakshi Gopinath Cup, best garden in the University- Department of Persian Cup, second prizes in Lawn, 'Clean and Green Campus', and third prize in Rose Garden. To make the best use of resources, an initiative to provide faculty and staff with fruits such as Amla growing in the college garden has been started and will soon be extended by providing vegetables and medicinal plants grown organically on the campus on a need basis.

### **COLLEGE CANTEEN**

The College canteen serves as a pleasant eating and meeting place for students.

### RO PURIFIED DRINKING WATER

As part of infrastructure development an RO System along with water dispensers has been installed to cater to the entire College building with a capacity of 1000 liters per hour.

### SURVEILLANCE SYSTEM

CCTV network of 16 cameras has been installed for enhanced security of the College and a public address system has been put in place for faster intra-College communication and announcements.

### MEDICAL ROOM

The College medical room provides basic medicines and has first-aid facilities if the need arises. A staff nurse is present in the medical room every day and a doctor visits the College on appointed days.

### LEGAL AID CELL

The College is associated with the Delhi Legal Services Authority, which works towards the constitutional obligation of the state to ensure legal aid and guidance for the College community.

### ALUMNI ASSOCIATION (SANNIDHYA)

Our old students' association organizes a get together once a year in the College premises to honour distinguished alumni. This year, it organized e-Sannidhya 2021, the Annual Alumni Meet, to bring together alumni, faculty and students, albeit virtually and celebrate their mutual association with the Maitreyi *kutumb*.

**IMPORTANT INSTRUCTIONS**

- Every student has to choose interdisciplinary subject as Generic Elective and subject-specific as Discipline Specific Elective papers. The College reserves the right not to offer a particular GE subject/ DSE paper, if the class strength is lower than the stipulated strength. Option for availability of any of the paper may be at the discretion of the respective department.
- Students seeking admission are advised to read the prospectus and select the subject combination very carefully as change of subject may not be permitted at a later stage.
- In addition to the regular course of studies, every student is required compulsorily to enroll herself as a cadet for the National Cadet Corps (Women's Wing)/ undergo physical training (Sports)/ join as a volunteer for the National Service Scheme. The options given for this should also be considered carefully while filling up the appropriate column in the admission form.
- All students are required to join an academic society in any one of the subjects chosen by them.
- Students staying in the PG or Private hostels are required to submit their present address and phone numbers and intimate the changes, if any.
