

MAITREYI COLLEGE

(UNIVERSITY OF DELHI)

MAITREYI ALUMNI ASSOCIATION (M.A.A.)

Maitreyi is an endeavor to contribute to imparting higher education to women and groom their personality so that they excel in all walks of life. Our alumni are successfully managing various prestigious portfolios and have accomplished a good deal. They are doing extremely well in the field of performing arts and have a great flair for expressing themselves through writing skills.

Some of them have opted for academics as career, some are into research laboratories of National and International level. Others are holding various positions at Administrative/Management level in Government/Public and Private sector.

As Maitreyi has approached its Golden Jubilee Year, we wish to bring our alumni together and connect with them at an unprecedented level.

DARE TO PERFORM

THESE REAL LIFE EXPERIENCES PROVE THAT THERE'S NOTHING THAT CAN HOLD YOU BACK FROM LIVING YOUR DREAMS - ALL YOU HAVE TO DO IS DARE TO TAKE THE PLUNGE.

THE DANCE TEACHER WHO SHED HER INHIBITIONS,
When I started teaching dance five years ago, I believed I was helping others achieve their potential and somewhere along the way, I started forgetting mine. Teaching ballet and classical forms of dancing kept me balanced and motivated but I wasn't really happy. I wanted more. I wanted more... Inspired by my Honor 5C phone, I started getting involved with adrenaline pumping street performances. Now we dance in each other and take part in street dance competitions. This is where I belong - here to be who I want to be. I was born to perform and I dared to do it.
