

## **Title of the Event: DEPARTMENTAL ORIENTATION**

**International/National/College Level: College Level**

**Date: 17 August, 2023**

**Organized By: The Department of Mathematics, Maitreyi College**

**Name of the Convenor: Dr. Geetan Manchanda**

**Name of the Coordinator: Dr. Neelima Ohri**

**Number of Attendees : 37**

The Mathematics Department of Maitreyi College organized the Departmental Orientation Program for the batch of 2023-26 on 17 August 2023 in Room Number 10. The attendees included freshers, students from second & third year and faculty members. The event began with Dr. Geetan Manchanda, Teacher-in-charge, Department of Mathematics, welcoming all the freshers. She introduced all the faculty members of the Department of Mathematics to the freshers. She also briefed the freshers about the National Education Policy and UGCF2022. The event then proceeded with an introduction of all the students of the fresh batch.

The Mathematics Department of Maitreyi College has always strived hard for the betterment of its students and members. Its endeavor has been to contribute to the students' education not only by enabling students to get a degree, but also by developing in them the ability to think creatively and articulate their thoughts with confidence and conviction. This was shown to the students through a presentation including details about all the events organized by the department throughout the year. Ms. Amrita from 3rd year and Ms. Shweta from 2nd year explained to the students about all the activities and events which the department organizes every year. Dr. Neelima Ohri provided an overview to the students regarding the curriculum and the structure of the course. She elucidated that the first semester would encompass the study of seven subjects, aggregating to a total of 22 credits. These subjects included 3 DSC (Discipline-Specific Core), 1 AEC (Ability Enhancement Course), 1 GE (Generic Elective), 1 SEC (Skill Enhancement Course), and 1 VAC (Value Added Course). The orientation program was quite interactive. The newcomers posed numerous inquiries, particularly about SEC, VAC and GE components. The faculty members adeptly addressed these queries, providing explanations. The department's offerings of SEC and VAC were shared with the students, underlining their significance and their alignment with the students' core discipline. This would enable the students to make well-informed decisions when selecting these courses.

The seniors also played a "Bucket list" game with freshers to break the ice. As the orientation program drew to a close, all attendees were treated to refreshments as a warm gesture to mark their entry into the department. The event was thoroughly enjoyed by all attendees. Extending best wishes to the 2023-2026 batch.

### **Significance of the Event:**

Newly enrolled students were provided with a chance to acquaint themselves with their department, as well as to meet and interact with their teachers and senior peers. During this interaction, they gained insights not only into their curriculum, timetable and academic

schedules, but also into various departmental events, activities, festivals and educational trips.

## **THE ALUMNAE SERIES: SECOND CONVERSATION**

**DATE OF EVENT 18<sup>th</sup> August, 2023**

**ORGANISED BY : Department Of Mathematics**

**NAME OF RESOURCE PERSON: Ms. Hansa Malhotra**

**NAME OF CONVENOR: Dr. Geetan Manchanda**

**NAME OF COORDINATOR: Ms. Priyanka Sahni**

**Number of Participants: 27**

The Department of Mathematics of Maitreyi College conducted a mesmerizing interaction session with their accomplished alumnae Ms. Hansa Malhotra on 18<sup>th</sup> August, 2023. The session was attended by 27 attendees including students from different years and esteemed faculty members.

The event kicked off with a warm welcome by Ms. Amrita Upadhyay, third-year student expressing her gratitude for the presence of the alumnae. Dr. Geetan Manchanda (Teacher-in-charge) then honoured the occasion by presenting a token of appreciation to the guest speaker Ms. Hansa Malhotra.

Ms. Hansa Malhotra is a shining star from the batch of 2016, who graduated with Honours degree in Mathematics from Maitreyi College and later completed her Masters from King's College London. She is now a Senior Consultant at KPMG, having an experience of six years. Her journey spans strategy, management, public policy, and data analysis, engaging with prestigious clients globally.

The spotlight turned to Ms. Hansa as she delivered the keynote address, sharing her academic journey and passion for mathematics. She shared what she learned and explained how her time in college shaped her success. She encouraged everyone to take advantage of all the opportunities they have in college. She also advised them to find a mentor, someone older, who can give advice about life and future. She motivated them to explore the domains of public speaking and urged them to step into the world of communication and connection. She also offered her mentorship as student advisor and career consultant. The Department also showcased their various other successful alumnae across diverse fields, offering a captivating glimpse into their achievements.

With a heartfelt vote of thanks from Ms. Priyanka Sahni, the event embraced nostalgia as she shared college instances with Ms. Hansa. She thanked her for offering mentorship to the students which may lead to a better career choice. Dr. Geetan Manchanda also thanked Hansa for engaging and motivating the students. The event concluded with Ms. Hansa personally engaging with students, providing insights into careers and academics.

## **CHANDRAYAAN 3 LIVE STREAMING**

**Date: 23 August 2023**

**ORGANISED BY: Department of Mathematics**

**NAME OF CONVENOR: Dr. Geetan Manchanda**

**NAME OF COORDINATOR: Dr. Khushboo Bussi**

**& Dr. Leena**

**Number of participants: 76**

### **Report: -**

Immerse yourself in the captivating realm created by the Mathematics Department of Maitreyi College, as they organised a live streaming session for the 'Chandrayaan 3' landing on the south pole of Moon. A virtual audience of 76 participants, including students from various academic courses and esteemed faculty, eagerly joined the session online.

The session was streamed live from ISRO website, facilitated by Dr. Leena. The live event was compared by Aarushi Seth and Padmadev Mishra serving as hosts, providing insightful commentary on the event's proceedings. They both provided a brief intro of all the lunar missions of ISRO. Chandrayaan-1, launched on October 22, 2008, via PSLV, made a significant discovery by detecting water on the moon's surface. Chandrayaan - 2, launched on July 22, 2019, using the LVM3-M1 rocket, aimed to further lunar exploration. It is still orbiting the moon within 100 km radius and providing information. Chandrayaan-3, launched on July 14, 2023, by MARK III (LVM-3), continues India's endeavours in lunar exploration.

Our esteemed Prime Minister, Shri Narendra Modi, remotely connected with ISRO command station, while in South Africa to observe the Chandrayaan 3 landing. Upon Chandrayaan 3's successful soft landing on the moon's South Pole, the Prime Minister extended congratulations to ISRO and all the citizens of India.

Following the session, Nisha Choudhary, the Vice President of Gradient society, extended her heartfelt appreciation to all the participants in a thank-you address.

Afterward, Shweta Yadav, a second-year student, kickstarted an engaging quiz centered around the theme 'Chandrayaan 3.'

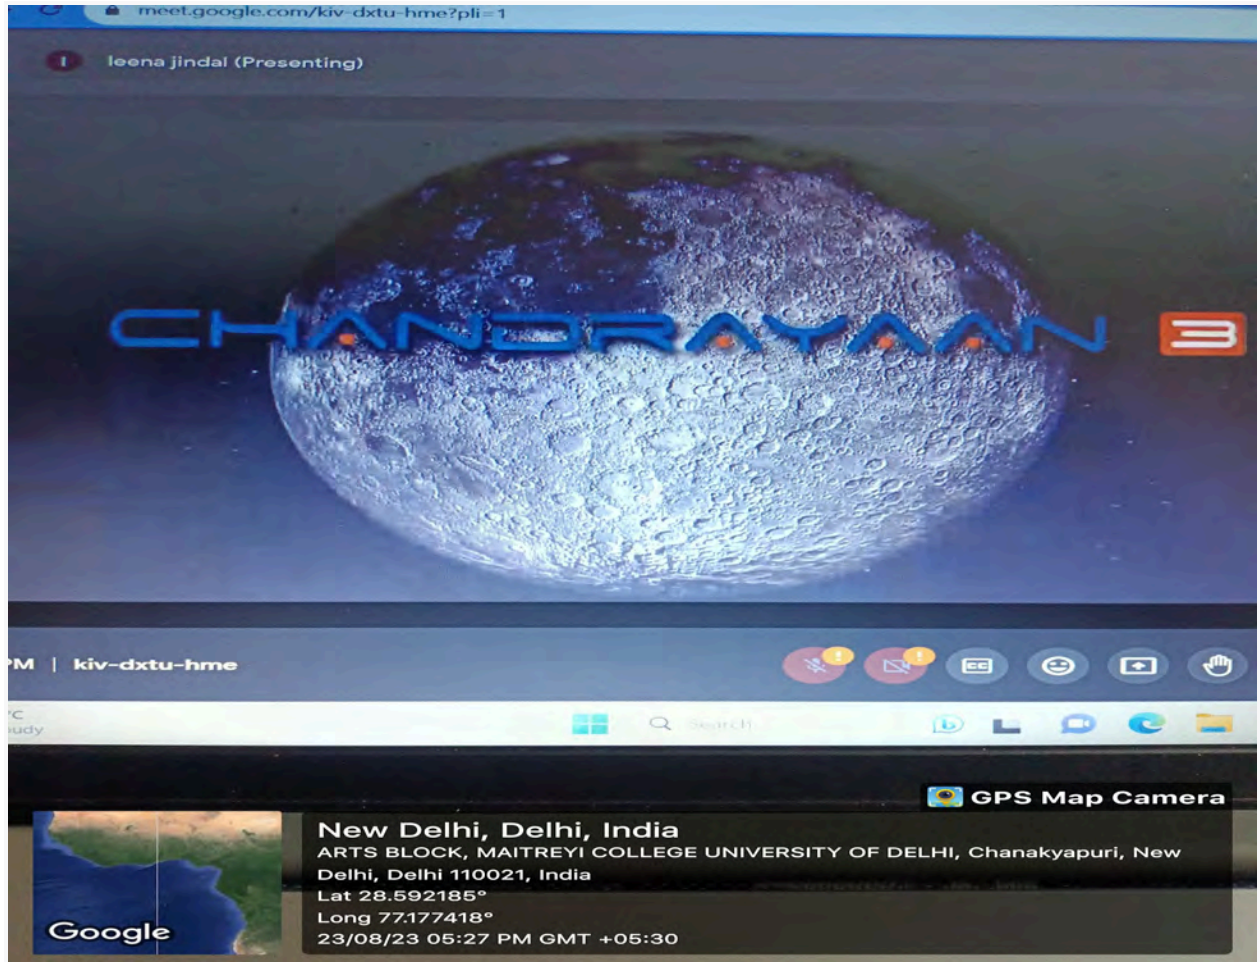

Subsequently, a link to the feedback form was shared with the attendees, ensuring their input was valued.

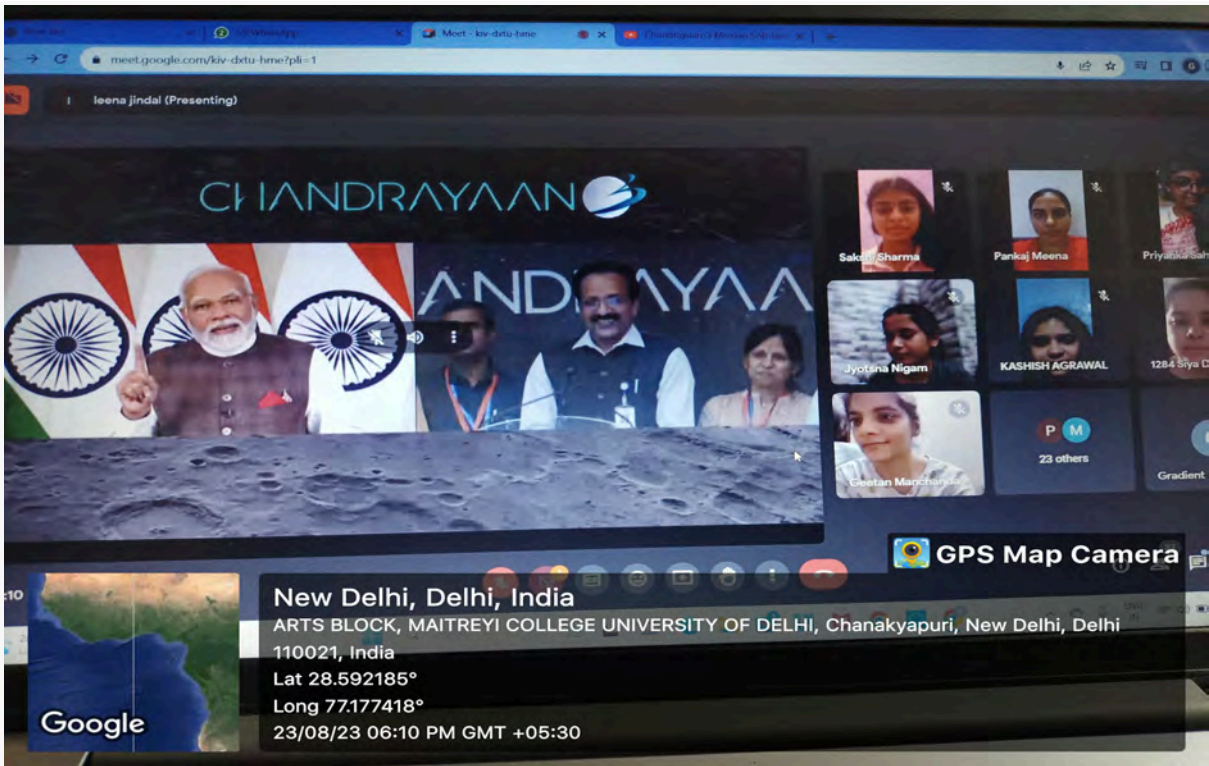

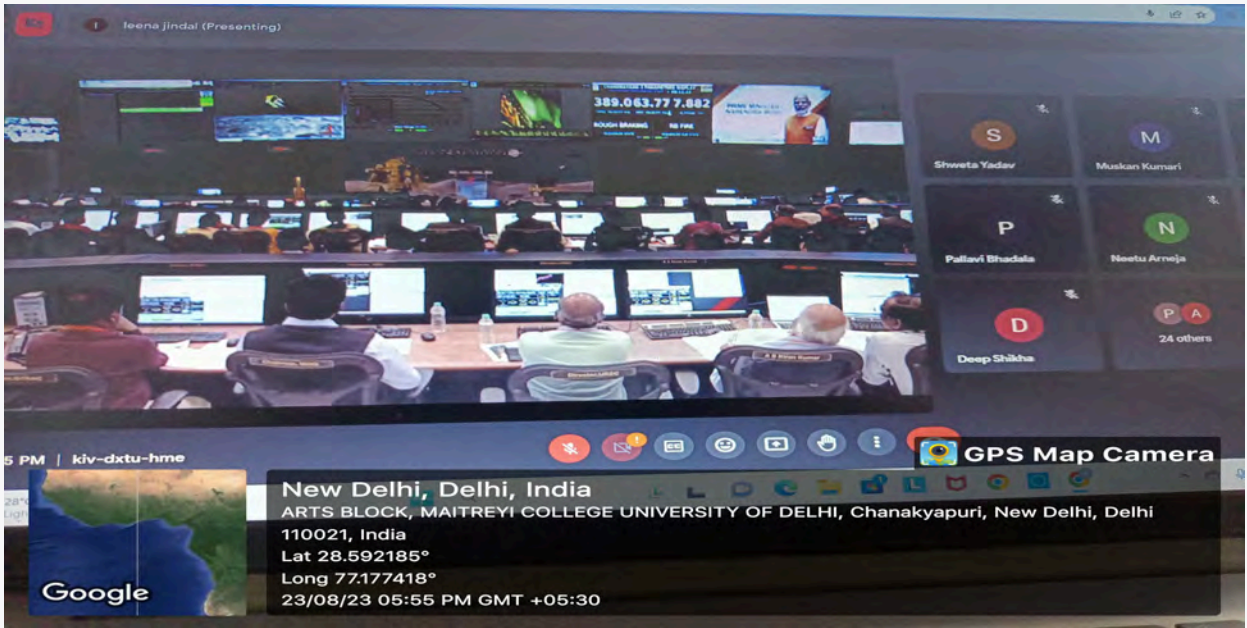

Jyotsna from second year and Charu from first year were announced as joint winners, infusing an exhilarating conclusion to the quiz proceedings and brought the session to a close.

### **SIGNIFICANCE OF SESSION:**

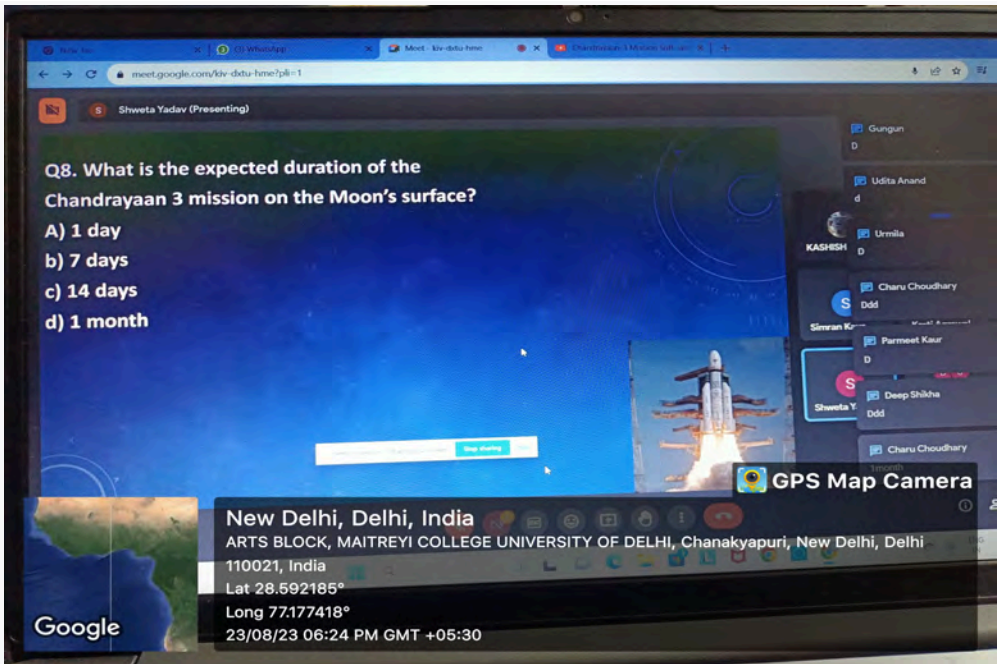

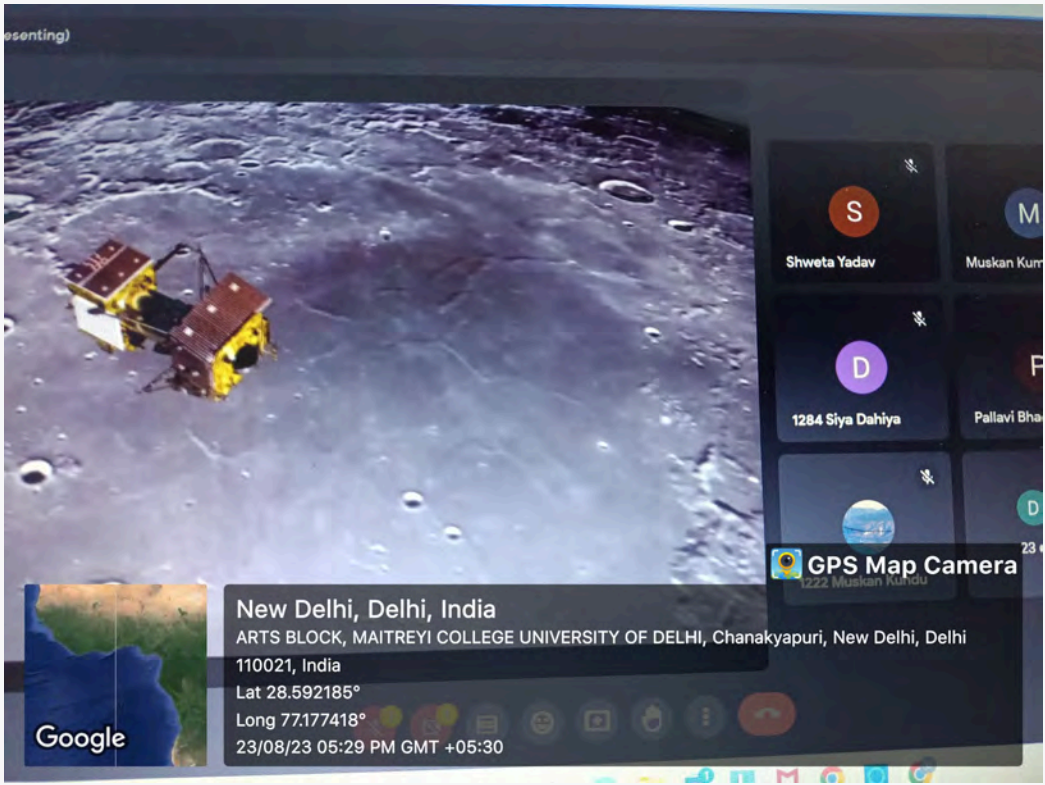

The session elevated everyone's knowledge and instilled a sense of pride, amplifying the collective experience.

# STUDENTS' UNION ELECTION 2023-24

## Intra - Departmental Election

**Date:** 18 September 2023

**Organized By:** The Department of Mathematics

**Number of Participants:** 113

On September 18, 2023, the Department of Mathematics at Maitreyi College conducted its Students' Union Elections under the inspiration of our principal ma'am, Dr. Haritma Chopra and the guidance of Teacher-in-Charge, Dr. Geetan Manchanda for the academic year 2023-24. The election encompassed the positions of President, Vice-President, Treasurer, and General Secretary.

The election process was overseen by the department's faculty and members of the previous union. Notably, the entire election process was conducted online by interested students submitting their candidacies to fellow students casting their votes for their preferred candidates.

### **Eligibility:**

President- 3rd-year student

Vice President- 2nd-year student

Treasurer- 2nd-year student

General Secretary- 1st-year student

### **Schedule of the Election:**

**5th Sept. 2023:** The department presented a proposal for an election to the students.

**12th Sept. 2023:** The deadline for students to submit their candidacy for the election.

**13 Sep 2023:** The official list of candidates running for the elections was announced. Campaigning started among the students in offline mode and through WhatsApp messages and posters.

**17 Sep 2023:** The deadline for candidates to conduct their election campaigns.

**18th Sep. 2023:** Election Day: Students from all academic years within the department exercised their right to vote for their preferred candidates for all Union positions between 10:00 AM and 2:00 PM. The voting link was <https://forms.gle/NHjPdGnvB1u7D5Kw5>

**18 Sep. 2023:** The election results were announced.

### **Following are the candidates who stood for the Election:**

- For the post of President: **Ms. Akshita Singh** (3<sup>rd</sup> Year student) and **Ms. Khushi Setia** (3<sup>rd</sup> Year Student) and **Ms. Siya Dahiya** (3<sup>rd</sup> year Student)
- For the post of Vice-President: **Ms. Shweta Yadav** (2<sup>nd</sup> year student), **Ms. Neha Budhani** (2nd-year student) and **Ms. Ankita** (2nd-year student)

- For the post of Treasurer: **Ms. Manshi Yadav** (2nd-year student), **Ms. Kashish Dagar** (2nd-year student)
- For the post of General Secretary: **Ms. Charu Choudhary** (1<sup>st</sup> Year Student), **Ms. Deep Shikha** (1<sup>st</sup> Year Student), **Ms. Kashish Kumari** (1st-year student)

Total 11 candidates stood for elections and around 113 student casted votes for their favorite candidates on 18th Sept 2023 between 10:00 AM - 2:00 PM in online mode where Dr. Nectu Arneja was the coordinator of this event. Dr. Archana Paradkar also helped in this process. They made sure that the election process was fair and smooth. After careful observation of the votes of the students, the results were finally declared.

### The Newly elected candidates:

President- Akshita Singh

Vice President- Shweta Yadav

Treasurer- Manshi Yadav

General Secretary- Deepshikha

The Department of Mathematics extends warm congratulations and best wishes to the newly appointed Union members. The success of the 2023-2024 elections is attributed to the collaborative efforts of the organizing teachers and the participating students, who played a crucial role in supporting their preferred candidates.

### Significance of the event-

This opportunity allowed students to represent their fellow peers and enact the changes they aspire to see within the department.

## SEMINAR : Win the Game of Life Through Meditation

CATEGORY : Academic

LEVEL OF THE EVENT : College Level

DATE OF EVENT : 03-10-2023

ORGANISED BY : The Department of Mathematics

NAME OF THE COORDINATOR : Dr. Nectu Arneja

NAME OF THE RESOURCE PERSON : Ms. Seema Charla

TOTAL NUMBER OF THE PARTICIPANTS : 134

NUMBER OF THE PARTICIPANTS FROM COLLEGE : 134

### REPORT OF THE EVENT:

Under the continuous guidance of Prof. Haritma Chopra, the Principal and constant motivation of Dr. Geetan Manchanda, Teacher-in-charge, the Department of Mathematics, Maitreyi College in partnership with Science of Spirituality has organised a talk on meditation on October 3, 2023, led by Ms. Seema Charla, exploring its life-transforming benefits, fostering engagement, and concluding with a meditation exercise. Dr. Nectu Arneja, the event coordinator, expressed gratitude and exchanged tokens of appreciation.

## **SEMINAR : "Application of Blockchain Technology and its Security Aspects"**

DATE OF EVENT : 6th October 2023

ORGANISED BY : The Department of Mathematics

NAME OF THE RESOURCE PERSON : Dr. Girish Mishra

NAME OF THE CONVENOR : Dr. Geetan Manchanda

NAME OF THE COORDINATOR : Dr. Khushboo Bussi

NUMBER OF ATTENDEES : 95

### **Report:**

The Department of Mathematics, Maitreyi college organised a talk on blockchain technology on October 6, 2023. The topic of the seminar was "Application of Blockchain Technology and its Security Aspects" which was conducted in Video-conferencing room at 1pm. The speaker was Dr. Girish Mishra from Scientific Analysis Group, DRDO, Metcalfe House. The event commenced with a warm welcome by Akshita Singh, President of the Department of Mathematics and her co-host, Jyotsna Nigam from 2nd Year, who expressed gratitude for the speaker present.

Dr. Girish Mishra, initiated the session in a well-structured manner by delving into various pertinent subjects. He began by emphasising the significance of blockchain technology and its interconnectedness with mathematics. Subsequently, he expounded upon the concepts of cryptocurrency and Bitcoins, elucidating their underlying mechanisms. Dr. Mishra also addressed issues within the supply chain and traced the evolutionary path of currency. He also explained the need of decentralised mechanism in any network today. Furthermore, he explored the integration of data, the challenges associated with traditional paper money, and the imperative need for technological literacy. Throughout the session, he adeptly encouraged active participation from the students, fostering an engaged audience. The event concluded with a succinct overview of pertinent technological advancements.

As the event drew to a close, Dr. Khushboo Bussi, serving as the event coordinator, extended a heartfelt token of appreciation to our esteemed speaker as a gesture of gratitude. Furthermore Dr. Geetan Manchanda presented the speaker with a memento as a symbolic token of honor.

### **SIGNIFICANCE OF THE EVENT:**

The program's principal objective was to acquire knowledge of blockchain and its security aspects with respect to mathematics. It talked about the tools which are needed for smooth streamlined functioning of blockchain. Throughout the event, students received a substantial amount of information on technology and blockchain, as well as an increased awareness regarding the misuse of technology.

## POSTER OF THE EVENT:

The Department Of Mathematics  
GRADIENT  
Maitreyi College  
(Accredited "A++" by NAAC)  
DELHI UNIVERSITY  
"Under the aegis of IQAC"

"APPLICATION OF  
BLOCKCHAIN TECHNOLOGY  
AND ITS SECURITY ASPECTS"

6th October, 2023

1:00 P.M. onwards

New Auditorium

## **SEMINAR: CYBER SECURITY AND DIGITAL HYGIENE**

DATE: 26th October,2023

ORGANISED BY: Gradient,Department of mathematics

RESOURCE PERSON: Prof.Charru Malhotra

CONVENOR: Dr. Geetan Manchanda

COORDINATOR: Ms.Mamta Godara

NUMBER OF ATTENDEES: 60

The Department of mathematics organised a talk on the topic 'Cyber security and digital hygiene' on 26th October, 2023. It was conducted in the video conferencing room at 1 PM. The speaker of the session was Prof. Charru Malhotra, lead coordinator of the centre of e governance at IIPA(Indian institute of public administration ,New Delhi.

The seminar commenced with a solemn candle lighting session led by Professor Charu, warmly welcomed by the hosts, Rajan Kaur from the second year, and Anvesha from the first year. The hosts provided an insightful introduction to the speaker after which she started the session.

Professor Malhotra started the session by defining cybersecurity and digital hygiene. She shared her own encounters with cyber threats, emphasizing the significance of being vigilant online. Addressing the audience, she also shed light on the dangers of digital footprints, underscoring the risks associated with unsupervised internet usage. Through various examples, she illustrated the potential harm of digital technology and offered practical precautions to safeguard against cybercrimes. Professor Malhotra stressed the importance of data protection and presented various alternatives for achieving it. Additionally, she emphasized digital hygiene practices, including the creation of strong yet simple passwords and the importance of avoiding suspicious links and downloads.

The seminar was highly interactive, with Professor Charu engaging the audience through thought-provoking questions, fostering lively discussions. Following her comprehensive presentation, attendees participated in a fruitful question and answer session, where the speaker addressed various queries, enriching the audience's understanding.

At the end of the seminar, Ms. Rajni Gupta and Dr. Geetan Manchanda gave a token of honour to Professor Charru in the form of a planter. This was followed by a vote of thanks by Ms. Mamtha Godara, who was the coordinator of the session.

### **Significance of the event:**

This seminar aimed to raise awareness among students about cybersecurity, equipping them with knowledge to protect themselves from prevalent cyber threats. The event's timing in October, designated as **Cybersecurity Awareness Month**, further emphasized the importance of digital safety.

This made the session an insightful one and a great success!

## **WORKSHOP: “Balancing Technology and Well-Being: (E-Waste Management and Mental Health)”**

**CATEGORY : Academic**

**LEVEL OF THE EVENT : College Level**

**DATE OF THE EVENT : 08-11-2023**

**ORGANISED BY : The Department of Mathematics**

**NAMES OF THE COORDINATOR : Ms. Mamta Godara and Dr. Shivani Yadav**

**NAMES OF THE RESOURCE PERSON :**

Dr. Sandip Chatterjee, Mr. Shiv Rao Challa, Mr. Arjun Naidu & Ms. Pragya Malik

**TOTAL NUMBER OF THE PARTICIPANTS : 104**

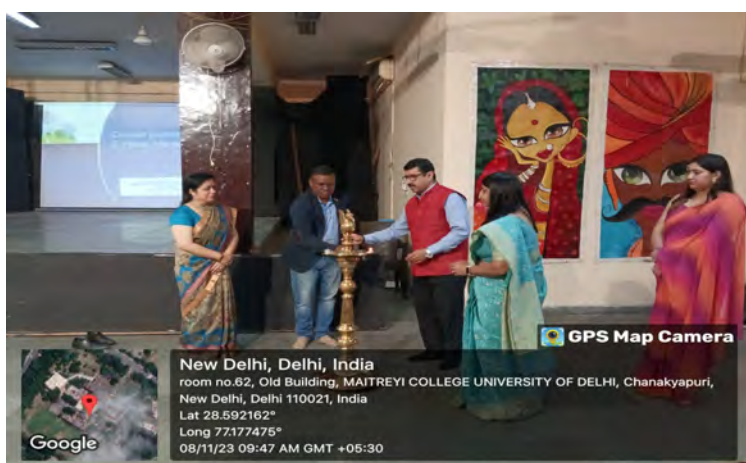

**NUMBER OF THE PARTICIPANTS FROM COLLEGE : 104**

### **Report:**

The Department of Mathematics organized a workshop on "Balancing Technology and Well-Being" on November 8, 2023. Speakers included Dr. Sandip Chatterjee, Mr. Shiv Rao Challa, Mr. Arjun Naidu, and Ms. Pragya Malik. Session 1 addressed e-waste and its impacts, featuring Dr. Chatterjee and Mr. Challa. A planter was presented to the speakers by Dr. Geetan Manchanda. Ms. Mamta Godara delivered the vote of thanks.

Session 2 focused on Yoga and a healthy lifestyle, with Ms. Pragya Malik and a workshop by Mr. Arjun Naidu. The interactive workshop included audience participation and ended with a token of honor presented by Ms. Rajni Gupta and Dr. Geetan Manchanda. Dr. Shivani Yadav expressed gratitude in the vote of thanks.

### Course Details:

**Platform for Recorded Video Lectures:** Google Classroom

**Online Platform for Doubt sessions:** Google Meet

### Course Schedule:

S. No.	Day and Date	Topic	Details of Topic covered	Resource Person
1	Day 1: 24-10-2023	Playing with Numbers	1. Fundamental Theorem of Arithmetic 2. Counting Factors 3. Surds and Indices	Dr. Geetan Manchanda
2	Day 2: 25-10-2023	Divisibility and Remainders	1. Division Algorithm 2. Divisibility Rules 3. Euler's Theorem and Wilson's Theorem	Dr. Neelima Ohri
3	Day 3: 26-10-2023	Ratio-Proportion and Percentage	1. Ratio-Proportion 2. Comparison of Ratios 3. Percentage	Ms. Rajni Gupta

4	Day 4: 27-10-2023	Average and Time-Work	<ol style="list-style-type: none"> <li>1. Average</li> <li>2. Arithmetic Mean of Numbers</li> <li>3. Time-Work</li> </ol>	Dr. Neetu Arneja
5	Day 5: 30-10-2023	Basic Functions, their graphs and Trigonometry	<ol style="list-style-type: none"> <li>1. Functions and their Graphs</li> <li>2. Remainder and Factor Theorems</li> <li>3. Pythagoras Theorem and Trigonometric Identities</li> </ol>	Ms. Priyanka Sahni and Dr. Shivani Yadav
6	Day 6: 31-10-2023	Pipes and Cisterns & Boats and Streams	<ol style="list-style-type: none"> <li>1. Pipes and Cisterns: Flow Problems</li> <li>2. Upstream and Downstream Problems</li> </ol>	Mr. Nitin Sharma
7	Day 7: 1-11-2023	Probability	<ol style="list-style-type: none"> <li>1. Sampling</li> <li>2. Conditional Probability</li> <li>3. Bayes Theorem</li> </ol>	Mr. Saurav Kumar
8	Day 8: 2-11-2023	Permutations and Combinations	<ol style="list-style-type: none"> <li>1 Basic Principle of Counting</li> <li>2 Permutation</li> <li>3 Combination</li> </ol>	Dr. Mohammad Prawesh Alam
9	Day 9: 3-11-2023	Basic Geometry	<ol style="list-style-type: none"> <li>1. Angles</li> <li>2. Classification of Triangles</li> <li>3. Congruence of Triangles</li> </ol>	Dr. Leena
10	Day 10: 6-11-2023	Mensuration	<ol style="list-style-type: none"> <li>1. Lateral Surface Area, Total Surface Area and Volume</li> <li>2. Cube and Cuboid</li> <li>3. Cylinder and Cone</li> </ol>	Ms. Aanchal Bari
11	Day 11: 7-11-2023	Speed-Distance	<ol style="list-style-type: none"> <li>1. Speed</li> <li>2. Distance</li> <li>3. Time</li> </ol>	Mr. Shankar Gulia

12	Day 12: 8-11-2023	Inequalities and Age related problems	1.Types of inequalities 2.Quadratic Inequality 3. Age related problems	Ms. Mamta Godara
13	Day 13: 9-11-2023	Seating Arrangement and shape counting	1.Counting of squares 2.Counting of triangles 3. Seating Arrangement	Dr. Ashok Kumar
14	Day 14: 10-11-2023	Venn Diagram and Progressions	1. Venn Diagram 2. Arithmetic, Geometric and Harmonic Progressions 3. Arithmetic, Geometric and Harmonic Mean	Dr. Dharmendra Kumar
15	Day 15: 13-11-2023	Profit-Loss and Simple Interest-Compound Interest	1. Profit-Loss 2. Simple Interest 3. Compound Interest	Dr. Deepti Kaur
16	Day 16: 14-11-2023	Short Tricks using Vedic Mathematics	1. Addition of numbers 2. Multiplication of numbers 3. Squares of numbers	Dr. Simran Kaur
17	Day 17: 15-11-2023	Number Series and Recognizing Patterns	1. Number and Letter Series 2. Alpha-Numeric Series 3. Continuous Pattern Series	Dr. Arpit Kansal
18	Day 18: 16-11-2023	Coding-Decoding and Blood Relations	1. Coding-Decoding 2. Encryption Schemes 3. Symbol Representation of Blood Relation Problems	Dr. Khushboo Bussi
19	Day 19: 17-11-2023	Data interpretation	1. Bar Graph 2. Pie Graph 3. Line Graph	Dr. Shivani Yadav
20	Day 20: 20-11-2023	Data Sufficiency	1 Order and Ranking 2 Floor Puzzle 3 Direction and Distance	Ms. Sunita Liwach

21	Day 21: 21-11-2023	Clock and Calendar	1. Angle between hour and minute hand 2. Mirror and Water Image of Clock 3. Finding the Day on a Given Date	Dr. Arpit Kansal and Dr. Neelima Ohri
----	-----------------------	--------------------	---	--

**Report of the event:**

The Department of Mathematics, Maitreyi College under the aegis of the Short Term Courses Committee organized a 30 hours Online Certificate Course on "Building Mathematical Skills: Logic, Reasoning & Aptitude 2.0" from 23rd October to 22nd November, 2023. The primary objective of the course was to equip students with diverse mathematical techniques essential for excelling in various competitive exams and securing placements in reputable multinational corporations. Following the successful completion of the initial phase held in March-April 2023, the Department, motivated by the positive response from participants, introduced the second phase of the certificate course. Six new modules were added, bringing the total number of modules covered to 21. The course aimed to establish a robust foundation of mathematical skills, specifically in logic, reasoning and aptitude for undergraduate students across various disciplines.

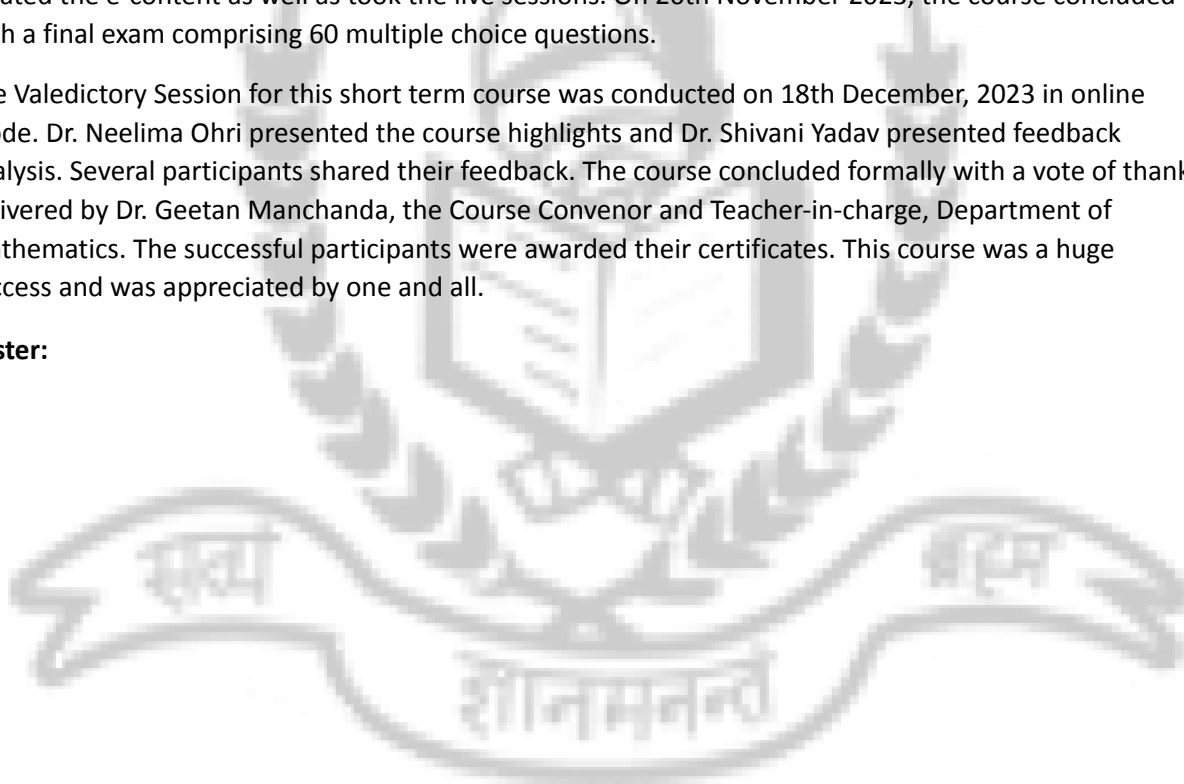

There were 96 registrations for the course, comprising 74 participants from Maitreyi College and 22 participants from other institutions. Noteworthy participation came from esteemed institutions such as

Bhupendra Narayan Mandal University (Bihar), Punjab University (Chandigarh), Manipur University, and Bharati Vidyapeeth College of Engineering, New Delhi. Furthermore, participants from various colleges under the University of Delhi, including Sri Venkateswara College, Mata Sundri College (W), SGTB Khalsa College, Lakshmibai College, Deshbandhu College, Kirori Mal College, Shyamlal College, Ramjas College, Satyawati College added to the diverse list.

The certificate course began with an inaugural session on 23rd October, 2023 where Honourable Principal madam Prof. Haritma Chopra was invited as a chief guest. Dr. Neelima Ohri, the course coordinator welcomed the participants and also requested the Principal Madam to motivate the participants with her words of wisdom. Dr. April Kansal described the course contents and the course schedule to the participants. Dr. Geetan Manchanda delivered the note of thanks. Throughout the course duration, the participants received daily e-content in the form of recorded video lectures through Google Classroom and live sessions based on the respective modules were held online the next day at 7 PM via Google Meet. In this manner, the course covered 21 modules in five weeks from Monday to Friday, with each module spanning a duration of one and a half hours. The faculty members of our Department created the e-content as well as took the live sessions. On 26th November 2023, the course concluded with a final exam comprising 60 multiple choice questions.

The Valedictory Session for this short term course was conducted on 18th December, 2023 in online mode. Dr. Neelima Ohri presented the course highlights and Dr. Shivani Yadav presented feedback analysis. Several participants shared their feedback. The course concluded formally with a vote of thanks delivered by Dr. Geetan Manchanda, the Course Convenor and Teacher-in-charge, Department of Mathematics. The successful participants were awarded their certificates. This course was a huge success and was appreciated by one and all.

# MODULES

- Number System
- Divisibility and Remainders
- Ratio-Proportion and Percentage
- Profit-Loss, Simple Interest and Compound Interest
- Average & Time-Work
- Speed-Distance
- Permutations-Combinations
- Probability
- Trigonometry
- Basic Geometry
- Venn Diagram and Progressions
- Clock & Calendar
- Number Series & Recognizing Patterns
- Blood Relations & Coding-Decoding
- Data Interpretation
- Fast-Track Calculations with Vedic Maths
- Mensuration
- Data Sufficiency
- Boats & Streams and Pipes & Cisterns
- Seating Arrangement and Shape Counting
- Inequalities and Age Related Problems

With our Certificate Course, get an edge ahead in:  
Competitive exams like SSC, Bank PO, RRB, IBPS, &  
Placements in various MNCs

Last Date for Registration :  
22nd October, 2023

## About the Course:

This short term course is designed with an aim to build a strong foundation of mathematical skills of logic, reasoning and aptitude among undergraduate students across various disciplines. We intend to equip learners with various mathematical techniques needed for solving quantitative aptitude and logical reasoning based questions which form an integral part of various competitive examinations conducted across the country. This course will help students from different streams perform well in these examinations. The course will be conducted in flipped mode, wherein recorded videos created by faculty members of our department will be uploaded. Regular assignments will be provided and live sessions will also be held to help students solve their queries.

## TITLE OF THE EVENT: NATIONAL MATHEMATICS WEEK

**CATEGORY: Academic**

**LEVEL: National Level**

**DATE OF EVENT: 18th- 24th December, 2023**

**ORGANISING DEPARTMENT: Department of Mathematics**

**CONVENORS OF THE EVENT: Ms. Rajni Gupta and Dr. Geetan Manchanda**

**ORGANISING TEAM: Faculty members of the Department of Mathematics**

### NAMES OF EVENT COORDINATORS:

S. No.	EVENT NAME	DATE	EVENT COORDINATORS
1.	“Ramanujan” movie-based-quiz	19/12/2023	Ms. Priyanka Sahni and Dr. Simran Kaur
2.	Mathematical Insights Showcase: PowerPoint Presentation	20/12/2023	Dr. Arpit Kansal and Dr. Khushboo Bussi
3.	Art Integration Activity: Poster Presentation	21/12/2023	Dr. Shivani Yadav and Ms. Aanchal
4.	Talk on “Life and Work Of Ramanujan” by Dr. Amit Kulshrestha	22/12/2023	Dr. Leena and Dr. Neetu Arneja
5.	Talk on “Vedic Mathematics” by Dr. Rakesh Bhatia	23/12/2023	Dr. Neelima Ohri, Mr. Saurav Kumar and Dr. Archana Paradkar

### NAMES OF THE JUDGES:

S. No.	EVENT NAME	DATE	NAME OF THE JUDGES	AFFILIATION
1.	“Ramanujan” movie-based-quiz	19/12/2023	Dr. Shivani Yadav	Assistant Professor, Maitreyi College
2.	Mathematical Insights Showcase: PowerPoint Presentation	20/12/2023	Dr. Leena and Dr. Neetu Arneja	Assistant Professor, Maitreyi College
3.	Art Integration Activity: Poster Presentation	21/12/2023	Dr. Archana Paradkar and Dr. Ashok Kakroda	Assistant Professor, Maitreyi College

**NUMBER OF THE PARTICIPANTS:**

S. No.	EVENT NAME	DATE	NO. OF PARTICIPANTS
1.	“Ramanujan” movie-based-quiz	19/12/2023	27
2.	Mathematical Insights Showcase: PowerPoint Presentation	20/12/2023	32
3.	Art Integration Activity: Poster Presentation	21/12/2023	19
4.	Talk on “Life and Work Of Ramanujan” by Dr. Amit Kulshrestha	22/12/2023	39
5.	Talk on “Vedic Mathematics” by Dr. Rakesh Bhatia	23/12/2023	26

**NUMBER OF THE PARTICIPANTS FROM MAITREYI COLLEGE:**

S. No.	EVENT NAME	DATE	NO. OF PARTICIPANTS
1.	“Ramanujan” movie-based-quiz	19/12/2023	3
2.	Mathematical Insights Showcase: PowerPoint Presentation	20/12/2023	5
3.	Art Integration Activity: Poster Presentation	21/12/2023	5
4.	Talk on “Life and Work Of Ramanujan” by Dr. Amit Kulshrestha	22/12/2023	8
5.	Talk on “Vedic Mathematics” by Dr. Rakesh Bhatia	23/12/2023	5

**LIST OF PARTICIPANTS:**

S. No.	Name of Participant	Institution/ College/ University
	<b>Event 1: “Ramanujan” movie-based-quiz</b>	
1	Manish Kumar	Zakir Husain College
2	Karunya S S	Muthayammal College of Arts and Science
3	Mahak Mishra	Maitreyi College

4	Gaurav Kumar	IISER Pune
5	Harsh	Sri Venkateswara College

### **REPORT:**

The National Mathematics Day, celebrated on December 22nd, marks the birth anniversary of the legendary Indian Mathematician, Srinivasa Ramanujan. His unparalleled achievements and groundbreaking work continue to be a source of inspiration for mathematicians and students worldwide. Given the immense significance of Mathematics in shaping our

understanding of the world, the Department of Mathematics, Maitreyi College in collaboration with Shiksha Sanskriti Uthaaan Nyas, Delhi celebrated the National Mathematics Week from 18-24 December, 2023 to inspire and remind our present generation about the monumental contributions of Srinivasa Ramanujan to the field of Mathematics. The Department organised a series of events and activities to commemorate this week and shed light on Ramanujan's extraordinary legacy. All the participants were provided with e-certificates. For the first three events, the first prize winner received a cash prize of Rs. 2000, while the second prize winner was awarded Rs. 1000.

### **Event 1: “Ramanujan” movie-based-quiz**

A quiz competition based on the movie “Ramanujan” was organised on 19th December, 2023. Participants were required to watch the movie beforehand, accessed via a provided link. The event comprised two rounds: Round 1 was an online quiz presented as a Google Form, consisting of 20 multiple choice questions, while Round 2 was a live online quiz conducted via Google Meet, including both multiple choice questions and questions based on video clips. The top positions were secured by ‘Pamulapati Manasa’ from Maitreyi College, who claimed first place, and ‘Jagdeesh’ from BHU, who secured second position.

### **Event 2: “Mathematical Insights Showcase: PowerPoint Presentation”**

A PowerPoint Presentation based event was conducted on 20th December, 2023. Eight participants from different colleges and universities presented their presentations on various mathematical topics. Yukta Agarwal from Guru Gobind Singh Indraprastha University presented “A Simple Open Problem in Mathematics: Collatz Conjecture” and got the first position. Aruni Saxena from Jesus and Mary College secured the second position for her presentation on “Curbing Australian Bushfire using Mathematical Modelling”.

### **Event 3: "Art Integration Activity: Poster Presentation"**

A Poster Presentation based event was conducted on 21st December. Participants demonstrated their mastery by creating visually striking posters that conveyed complex concepts with creativity. This event not only celebrated interdisciplinary learning but also highlighted the importance of visual communication in education, providing a platform for students to showcase their talents. Akshita Singh from Maitreyi College emerged as the first winner for her poster on “Symmetry in Groups: Indian Art”. Priya Sharma from Maitreyi College secured the second position for showcasing her talent in the form of a poster on “Symmetry in Group Theory”.

### **Event 4: Talk on “Life and work of Ramanujan” by Dr. Amit Kulshrestha, IISER Mohali**

Dr. Amit Kulshrestha from IISER Mohali delivered a captivating talk on the life and work of Srinivasa Ramanujan on 22nd December. Drawing from his expertise, Dr. Kulshrestha

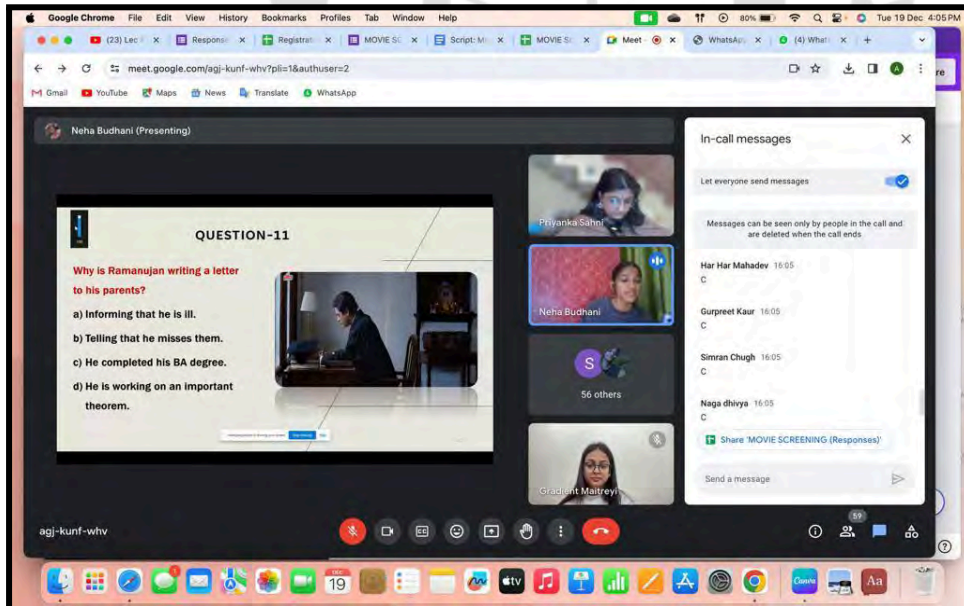

provided insightful perspectives on the mathematical genius's journey, highlighting Ramanujan's extraordinary contributions to number theory and his profound impact on the field. The talk likely delved into Ramanujan's unique mathematical insights, his collaboration with renowned mathematicians and the enduring legacy he left in the world of mathematics.

### Event 5: Talk on "Vedic Mathematics" by Dr. Rakesh Bhatia, Shiksha Sanskriti Utthan Nyas

Dr. Rakesh Bhatia, the National Coordinator of Vedic Mathematics in Shiksha Sanskriti Utthan Nyas, Delhi, delivered an enlightening talk on Vedic Mathematics, exploring the principles and applications of this ancient mathematical system. He highlighted the simplicity and efficiency of the system, promoting a holistic approach to mathematical problem-solving. Attendees gained insights into the unique techniques used in Vedic Mathematics, such as sutras (formulas) that simplify complex calculations. Dr. Bhatia demonstrated some of these techniques, showcasing their practicality and effectiveness. The event featured an engaging question and answer session where attendees could seek clarification on various aspects of Vedic Mathematics.

### FEEDBACK ANALYSIS:

### Which specific event or activity did you find most engaging?

24 responses

- Ramanujan movie-based-quiz
- Mathematical Insights Showcase: Powerpoint Presentation
- Art Integration Activity: Poster Presentation
- Talk on "Life and Work of Ramanujan" By Dr. Amit Kulshrestha
- Talk on "Vedic Mathematics" by Dr. Rakesh Bhatia

### Do you feel that National Mathematics Week successfully promoted a positive and enjoyable atmosphere around Maths?

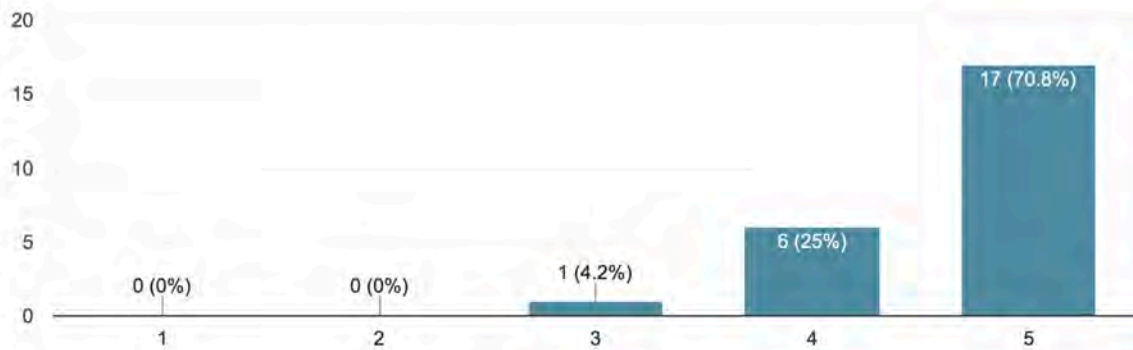

24 responses

- Yes
- No
- Maybe

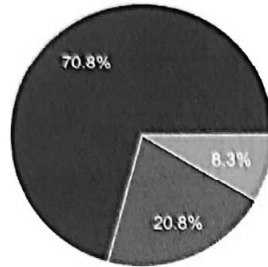

### How well did the activities align with the theme or purpose of National Mathematics Week?

24 responses

How effective were the organizers in communicating information about National Mathematics Week?

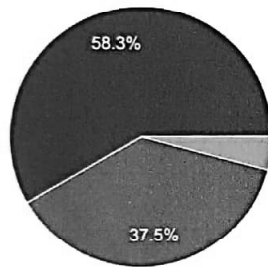

24 responses

- 1
- 2
- 3
- 4
- 5

How likely are you to recommend National Mathematics Week at Maitreyi College to your peers and colleagues?

24 responses

## **TITLE OF THE EVENT: “CAREER COUNSELLING”**

**CATEGORY: Academic**

**LEVEL: College Level**

**DATE OF EVENT : 27th February 2024**

**ORGANISING DEPARTMENT : Gradient, The Department of Mathematics**

**NAME OF THE RESOURCE PERSON : Mr. Gaurav**

**NAME OF THE CONVENOR : Dr. Geetan Manchanda**

**NAME OF THE COORDINATOR : Dr. Neetu Arneja**

**NUMBER OF THE ATTENDEES : 98**

**NUMBER OF REGISTERED STUDENTS: 91**

### **REPORT:**

The Mathematics Department at Maitreyi College organized a seminar on February 27, 2024, titled 'Career Counselling'. The session commenced with a warm welcome by Neha Budhani, a proactive 2nd Year student and the event host. Neha delivered a concise introduction, setting the stage for an engaging and informative session. The audience comprised students from diverse academic backgrounds, all sharing a common interest in mathematics. Mr. Gaurav, drawing from his extensive experience, provided comprehensive information about the myriad of educational and career possibilities available to students post-graduation.

The speaker highlighted various opportunities in the educational field and employment sectors, shedding light on paths that students could pursue based on their mathematical acumen. Additionally, Mr. Gaurav suggested numerous entrance tests and examinations relevant to different career trajectories, guiding students on the necessary steps to navigate their chosen paths.

The session was interactive and fostered a dynamic exchange between the speaker and the students. Many attendees took advantage of this opportunity to seek clarification on specific queries, benefiting from Mr. Gaurav's expertise and insights. As the session drew to a close, Neha Budhani extended gratitude on behalf of the Department of Mathematics, acknowledging Mr. Gaurav's valuable contributions and the active participation of the students. The event concluded with a positive atmosphere, with attendees equipped with knowledge and motivation for their future endeavors. The seminar was successfully ended under the supervision of Dr. Neetu Arneja, the Coordinator with Dr. Geetan Manchanda, TIC, and the endless support of our respected principal Prof. Haritma Chopra ji.

### **SIGNIFICANCE OF THE EVENT:**

The foremost goal of the program was to acquire insights into future careers, particularly those related to mathematics. It assists individuals in defining their career objectives, examining various possibilities, and making well-informed choices. Counselor plays a pivotal role in helping individuals recognize their strengths, tackle challenges, and adapt to dynamic industries. Through the support and resources, career counseling enables individuals to pursue

rewarding and purposeful career paths that resonate with their interests and values. This, in turn, enhances job satisfaction and contributes to professional fulfillment.

# **SEMINAR : “ART AND SCIENCE OF MARKETING”**

**CATEGORY: Academic**

**LEVEL: College Level**

**DATE OF EVENT : 6th March 2024**

**ORGANISED BY : Gradient, The Department of Mathematics**

**NAME OF THE RESOURCE PERSON : Ms. Ritu Jain**

**NAME OF THE CONVENOR : Dr. Geetan Manchanda**

**NAME OF THE COORDINATOR : Dr. Neetu Arneja**

**NUMBER OF ATTENDEES : 91**

**NUMBER OF REGISTERED STUDENTS: 300**

## **REPORT :**

The Mathematics Department at Maitreyi College organized a seminar on March 6, 2024, titled 'The Art and Science in Marketing'. The seminar was held under the guidance of Prof. Haritma Chopra, the Principal, and Dr. Geetan Manchanda, TIC. Ms. Ritu Jain, a faculty member at Pearl Academy, was invited as the keynote speaker for the event. Under the supervision of Dr. Neetu Arneja, the coordinator, it began with a brief introduction of Ms. Jain by Akshita, President of the Mathematics Society.

During the seminar, Ms. Jain provided an overview of marketing and its contemporary significance. She explained the roles of the left and right hemispheres of the brain and elaborated on the artistic dimension of marketing. She also highlighted the scientific facets of marketing and how they are integrated into modern marketing practices. The goal of the seminar was to emphasize the amalgamation of art and science in effective marketing strategies.

The session was engaging and facilitated a conducive learning environment. It concluded with an interactive Q&A session and a gracious Vote of Thanks delivered by Akshita, acknowledging Ms. Jain and the participants for the seminar's success.

The seminar on the "Art and Science of Marketing" was significant as it explored the fusion of creativity and analytical thinking in effective marketing strategies. Attendees gained insights into storytelling, design, data analysis, and consumer behavior research, equipping them with the tools to engage and influence target audiences. With a deep understanding of artistic and scientific elements, this seminar empowered marketers to navigate dynamic market landscapes, adapt to trends, and drive business growth.

POSTER OF THE EVENT :

# TITLE OF THE EVENT: ABSCISSA 2024

CATEGORY: Academic

LEVEL: Inter-College Level

DATE OF EVENT: 15th March,2024

ORGANISING DEPARTMENT: Department of Mathematics

CONVENORS OF THE EVENT: Ms. Rajni Gupta and Dr. Geetan Manchanda

COORDINATOR OF THE EVENT: Dr. Neetu Arneja

ORGANISING TEAM: Faculty members and Students of the Department of Mathematics

NUMBER OF ATTENDEES : 136

NUMBER OF REGISTERED STUDENTS: 118

S. No.	EVENT NAME	HOSTS	JUDGES
1.	Inaugural Talk by Prof. Ajay Kumar	Akshita Singh and Neha Budhani	-
2.	Mathematics Relay	Rajan Kaur and Neha Budhani	Dr.Varsha Chauhan and Dr. Simran Kaur
3.	Cosplay	Jyotsna Nigam and Samiksha	Mr. Sandeep Kumar and Mr. Nitin Sharma
4.	Mock CID	Tanya and Urvashi	Mr. Monu Kumar, Dr. Sandeep Kumar, and Mr.Nitin Sharma
5.	Open Mic	Kashish Dagar and Neha Budhani	Dr. Neetu Arneja and Dr. Archana

## REPORT :

### Event 1 : “Inaugural Talk by Prof. Ajay Kumar”

The inaugural event of ABSCISSA unfolded with an enlightening seminar led by the erudite Prof. Ajay Kumar, hailing from the esteemed Department of Mathematics at the University of Delhi. The proceedings commenced with a ceremonious lamp-lighting ceremony, graced by the esteemed speaker and the revered faculty members of the mathematics department. Spearheading the event were the adept hosts, Akshita Singh, President of Gradient, and Neha Budhani, Vice-President of Gradient.

Prof. Ajay Kumar delved into the intricate realm of Continuity, unraveling the nuanced conditions under which it bestows the coveted mantle of uniform continuity, particularly on unbounded domains. The session burgeoned into a vibrant exchange of ideas, with students seizing the opportunity to seek elucidation on various aspects from the distinguished speaker.

### **Event 2: “Mathematics Relay”**

The Mathematics Relay, our second event, drew participation from 15 teams representing various colleges. It featured four rounds, with the first three being relay-based challenges. Teams had 15 minutes to solve each round, and the fastest progressed to the next. The final round presented an open problem, tackled by the top three teams from the previous rounds. Team Invictus, comprising Aditya Gupta and Anurag Kumar from Deshbandhu College, clinched the top spot. Meanwhile, Team Equinox, with Anju, Maya, and Khushboo from Daulat Ram College, secured the first runner-up position. This event showcased the intellectual prowess and teamwork of the participants, highlighting the importance of collaborative problem-solving in mathematics.

### **Event 3: “Cosplay”**

Cosplay, derived from "costume play," has evolved into a vibrant cultural phenomenon with profound significance globally. It transcends mere dress-up by fostering creativity, self-expression, and community building among enthusiasts who meticulously craft costumes inspired by characters from various media, including anime, video games, comics, and movies. Three participants from different colleges and universities presented their Character of various mathematicians and scientists. Kishan Kumar from Sri Aurobindo College represented “Albert Einstein” and got the first position.

### **Event 4: “Mock CID”**

"Mock CID" events hold significant importance as they provide a platform for individuals to engage in simulated criminal investigation scenarios, typically inspired by the popular television show "CID" or other crime-solving narratives. These events offer opportunities for the participants to apply problem-solving skills, critical thinking, and teamwork in a controlled yet realistic environment. Furthermore, Mock CID fosters collaboration among participants from diverse backgrounds, promoting a deeper understanding of law enforcement procedures and fostering a sense of community responsibility. Overall, these events serve as both an entertaining pastime and a valuable educational tool.

Various participants from different colleges and universities participated.

Team Infinity (Brijesh kishore mishra, Sanjeevani arya, Jatin gupta) from Ram Lal Anand College emerged as the first winner, and Team Equation (Rakhi Bhandari, Shagun Gupta) from Maitreyi College secured the second position.

### **Event 5: “Open Mic”**

"Open Mic" events provide a stage for individuals to showcase their talents in music, poetry, comedy, and various forms of performance. These gatherings cultivate creativity, community engagement, and support for emerging artists. The event provided a platform for expression and connection, Open Mic nights foster a sense of belonging and provide opportunities for artists to gain exposure and feedback in a welcoming environment. Various participants from different colleges and universities participated.

Khushi Kain (Shaheed Rajguru College of Applied Sciences for Women) got the first position and Azam Husain (Deshbandhu College) secured the second position.

## FEEDBACK ANALYSIS:

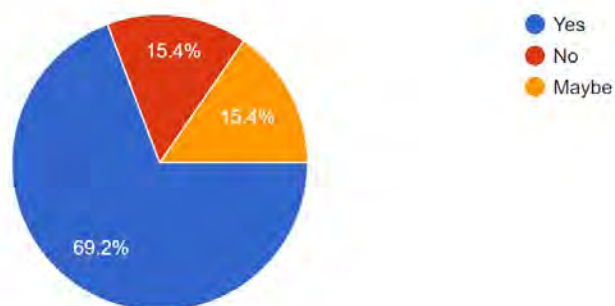

How would you rate the overall experience during Abscissa 2024?

13 responses

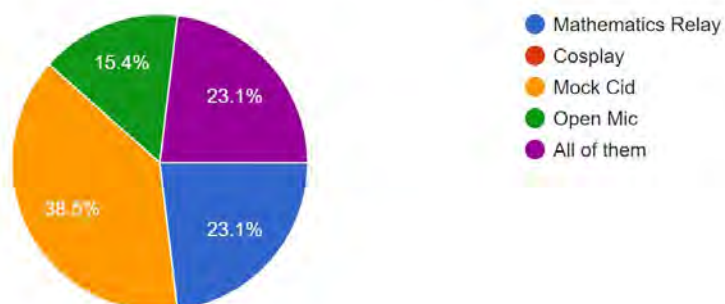

Did the events and activities during the fest meet with your expectations?

13 responses

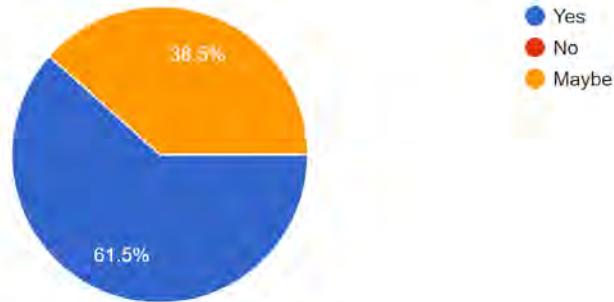

Which specific event or activity did you find most engaging?

13 responses

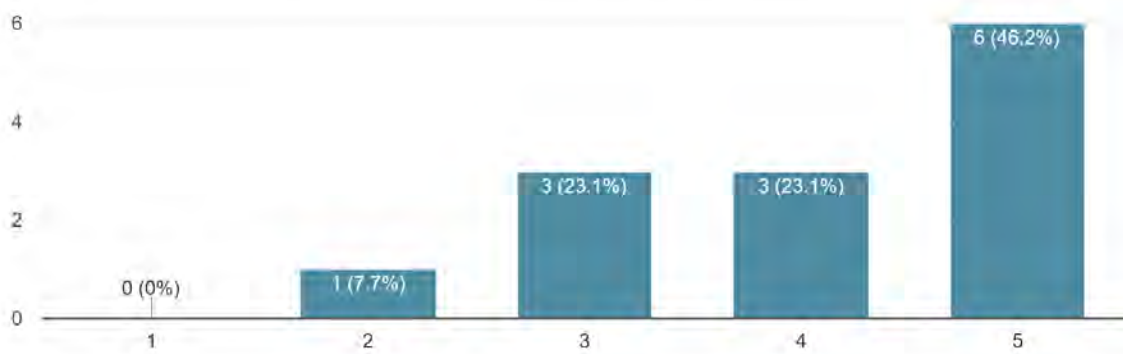

Do you feel that Abscissa'24 successfully promoted a positive and enjoyable atmosphere around Maths?

13 responses

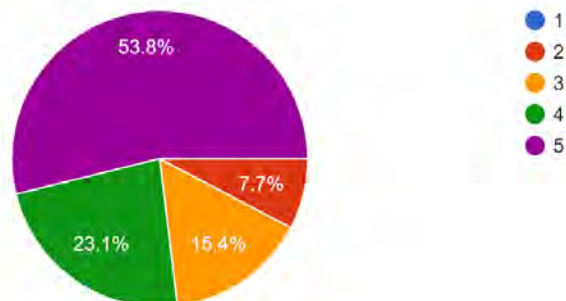

How well did the activities align with the theme or purpose of Abscissa'24?

13 responses

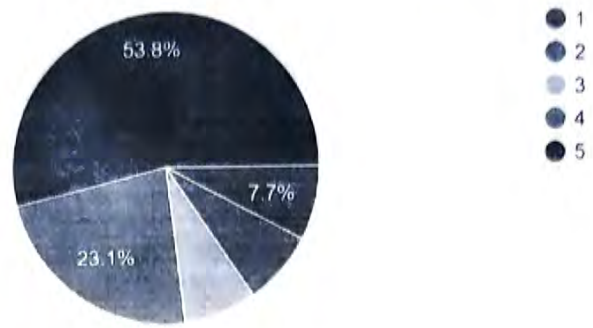

How effective were the organizers in communicating information about Abscissa'24?

13 responses

How likely are you to recommend Abscissa'24 at Maitreyi College to your peers and colleagues?

# **TITLE OF THE EVENT: “HOW TO PREPARE FOR UPSC WHILE PURSUING GRADUATION?”**

**CATEGORY: Academic**

**LEVEL: College Level**

**DATE OF EVENT : 15th April 2024**

**ORGANISING DEPARTMENT : Gradient, The Department of Mathematics**

**NAME OF THE RESOURCE PERSON : Mr. Shivam Yash**

**NAME OF THE CONVENOR : Dr. Geetan Manchanda**

**NAME OF THE COORDINATOR : Dr. Neetu Arneja**

**NUMBER OF THE ATTENDEES : 108**

**NUMBER OF REGISTERED STUDENTS: 102**

## **REPORT:**

The Mathematics Department of Maitreyi College organized an enriching seminar titled "How to Prepare for UPSC During Graduation?" on April 15, 2024. The event featured an esteemed guest speaker, Mr. Rishi, who currently serves as a faculty member at OnlyIAS Institute, an initiative by PhysicsWallah. Under the supervision of Prof. Haritma Chopra, Principal and Dr. Geetan Manchanda, TIC, and the guidance of Dr. Neetu Arneja, Coordinator, the session was expertly moderated by Akshita Singh, President of Gradient, who managed the proceedings with poise and professionalism.

Mr. Rishi emphasized the importance of setting clear post-graduation goals, offering students practical advice on navigating their academic journey toward a successful career in civil services. He covered various aspects of the UPSC examination, including an overview of the exam pattern, syllabus, and strategies for effective preparation. His insights shed light on the demanding nature of the UPSC exam and the dedication required to excel.

The seminar comprehensively explored the UPSC examination process, including time management techniques, tips for staying motivated, and guidance on choosing optional subjects. Mr. Rishi's expertise extended to discussing current affairs, answer-writing skills, and the importance of a disciplined study plan. The session was highly interactive, with students actively engaging in a Q&A segment, where they got the opportunity to ask specific questions and seek personalized guidance from Mr. Rishi. His thoughtful responses addressed individual concerns, providing clarity and direction to those aspiring to join the civil services. Overall, the seminar was a resounding success, offering students valuable insights and actionable strategies to prepare for the UPSC examination. The event enhanced students' understanding of the exam and inspired them to strive for excellence in their academic and professional pursuits.

## **SIGNIFICANCE OF THE EVENT:**

The goal of this program is to provide relevant insights and strategies. It bridges the gap between academic pursuits and career goals, offering students practical advice on how to balance both. Furthermore, it promises innovative exposure, global viewpoints, and networking opportunities, all of which contribute to a positive learning and collaborative atmosphere. This program, organized by the institution, demonstrates its commitment to holistic student development, making it an important event for individuals interested in pursuing civil service in addition to their undergraduate studies.
