NSS Maitreyi proudly spearheaded the Swachhta Hi Sewa 2023 campaign, a remarkable initiative that unfolded from September 15th to October 2nd. This noble endeavor was aimed at harnessing the collective energy and enthusiasm of our volunteers and community members to foster a cleaner, healthier, and more sustainable environment. Through various activities and events, we succeeded to ignite the spirit of cleanliness and service, echoing the vision of Mahatma Gandhi and the Swachh Bharat Abhiyan. We were delighted to organize this transformative journey towards a cleaner and more beautiful India.

Poster of the campaign-

This campaign consists of three main parts- The cleanliness drive, the plastic collection drive and the Ek Tareekh ek Ghanta.

THE CLEANLINESS DRIVE-

On 19th September 2023, NSS Maitreyi organized a cleanliness drive to spread awareness regarding the importance of a clean environment while following all the sanitary precautions. The drive also focused on collection and separation of garbage into degradable and non-degradable categories. (The report for the same has already been submitted)

THE PLASTIC COLLECTION DRIVE-

Plastic collection drive was conducted in Maitreyi College from 16 September to 29 September. The aim of this drive was to create awareness about pollution which is caused due to littering of plastic waste and promote responsible plastic management. It also aims on using plastic for recycling purposes. The successful collection of plastic waste not only promoted a cleaner and healthier environment but also reduces plastic pollution, thus benefitting the local ecosystem. (The report for the same has already been submitted)

EK TAREEKH EK GHANTA (SWACHHTA ANDOLAN)

The Students' Union of Maitreyi College, in collaboration with National Service Scheme (NSS) and National Cadet Corps (NCC) volunteers, successfully organized the "Ek Tareekh Ek Ghanta" on 1st October 2023. Commencing at 10:00 am within the college premises and continuing in a dynamic rally leading to the Delhi University South Campus Skywalk, this impactful cleanliness drive aimed on promoting cleanliness and environmental awareness. Volunteers tackled various cleanliness-related tasks, including cleaning the skywalk and managing garbage collection in the under bridge area near Moti Bagh. We proudly took a pledge to support the Andolan, committing ourselves to cleanliness and sanitation. (The report for the same has already been submitted)

Plastic collection drive was conducted in Maitreyi college from 16 September to 29 September. The aim of this drive was to create awareness about pollution which is caused due to littering of plastic waste and promote responsible plastic management. It also aims on using plastic for recycling purposes. The successful collection of plastic waste not only promoted a cleaner and healthier environment but also reduces plastic pollution, thus benefitting the local ecosystem.

The participation from the students was commendable. Students from all the years and all the courses participated in the collection drive with much enthusiasm and dedication towards the cause.

Through this drive more than 100 bottles containing waste from different sources including canteen and classrooms were collected. This significant participation highlights the effectiveness of the campaign and the willingness of the college community to participate in environmental protection drive.

Significance of the drive (Outreach/Soft Skill Development/Curriculum Enrichment, etc):

This drive was a great opportunity for students of the college to know about the plastic waste management. It gave them insight into how different types of plastic can be checked in bottle and later be used for construction and other purposes. Thus, the drive was successful in all its aspects.

On 19th September 2023, NSS Maitreyi organized a cleanliness drive to spread awareness regarding the importance of a clean environment while following all the sanitary precautions. The drive also focused on collection and separation of garbage into degradable and non-degradable categories.

The drive consisted of 15 members, including different heads and volunteers. The drive was organized by the Union for session 2023-24.

Aim of the drive

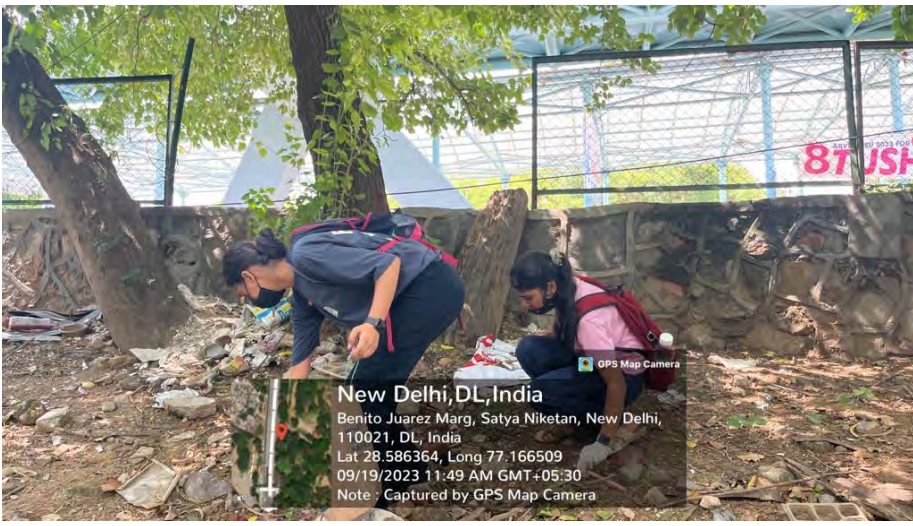

'Cleanliness is next to godliness '-Mahatma Gandhi

Despite the various measures taken by the government, we can't ignore the fact that there is plenty of waste still being thrown in the open area, segregation and proper disposal of which can inhibit the breeding ground for a variety of disease causing species. The non degradable waste in the open not only causes soil pollution but can also lead to damage when eaten by stray animals. Our ancestors dreamt of a greener India, so let's make this a cleaner India.

On the occasion of NSS Day i.e. 23rd September, the National Service Scheme, Maitreyi College in collaboration with Cure India hosted an informative and inspiring seminar on “Clubfoot Awareness and Volunteer Motivation”. This seminar was organized to raise awareness about clubfoot, a congenital condition affecting children, and to motivate college students to engage in volunteer work that can make a difference in the lives of those in need. The keynote speaker for this significant event was Dr.Santosh G., Director of Cure India. He has dedicated three decades of his life to serving India’s most vulnerable children. Nearly 300 students attended this seminar and 11 students participated in a poster making competition which happened after this seminar on the topic “Clubfoot Awareness”. This seminar was opened to all college students, emphasizing inclusivity and importance of spreading awareness among the younger generation.

Poster of the seminar:

The poster is a vertical rectangular graphic with a blue and green color scheme. At the top left is the Maitreyi College logo, and at the top right is the NSS logo. The text reads: 'National Service Scheme Maitreyi College (NAAC ACCREDITED A++ Grade) IN COLLABORATION WITH "CURE INDIA" Presents TALK SESSION ON "CLUBFOOT AWARENESS" AND "VOLUNTEER MOTIVATION" On the occasion of NSS DAY'. Below this, it states the date and time: '23rd September, 2023' and '10:30 am onwards'. The venue is 'New Audi (Maitreyi College)'. A QR code is provided for registration. A circular inset photo shows Dr. Santosh G., the speaker, wearing a red shawl. A note at the bottom states: 'E-Certificates will be provided to everyone. (Registration is mandatory)'. The Health and Hygiene department of NSS Maitreyi in collaboration with Prayan Foundation organized a drive on Menstrual Hygiene on 24 September 2023 in a slum area near Punjabi Bagh Club. The primary focus of the drive was to raise and create awareness about menstruation and related issues like PCOD and PCOS and to disseminate information regarding other nutritive and healthy adoptive practices that should be inculcated and adopted by women. A survey was also conducted by the volunteers of both NSS and Prayan Foundation to analyze the problematic situations being faced by women during such time periods. Volunteers also provided them with potential solutions to the problems being faced by them.

Roti Day 2023 was organised by NSS Maitreyi in collaboration with Vishalakshi Foundation, a non-profit organisation in India aiming to eradicate hunger and promote literacy. Based in Lucknow, it was established in January 2019 by Nilay Agarwal, a philanthropist with the vision to create a society where everyone has access to the fundamental rights to food, shelter, health care, respect, and dignity. It strives to help the underprivileged segment of society by giving them access to basic necessities of life and fostering in them a passion for great dreams. He also gave the youth a few slogans to guide them on ROTI DAY. 'BHUKHMARI KI TODE BEDI VISHALAKSHI VISHALAKSHI', 'BADLAV KI ANDHI', 'BHARAT MATA KI JAY', 'VANDE MATARAM'. With such slogans in their young hearts and fortitude in their walk, 1000 students of Delhi University walked a whopping 15 km walk with Nilay Agarwal in an attempt to prevent world hunger.

On 28 September 2023 began their journey from India Gate to Vishwavidyalaya. The dedicated students were equipped with posters, grit and packets of food and rotis to hand out to the underprivileged. Despite the hot sun the students kept walking whilst taking ample breaks in between, so that their friends could join in. The walk started from India Gate at 10 o'clock with only the core members of the Vishalakshi Foundation. Later they were joined by various groups and societies of various colleges including NSS Maitreyi. Youtuber Harsh Gupta also joined the walk to support the youth movement. The troop went on from India Gate to Chawri Bazar, Chandni Chowk, Kashmiri Gate, Civil Line, Vidhan Sabha and finally ending at Vishwavidyalaya or the Arts Faculty of North Campus. At the end of the #walkwithnilay campaign at the Arts Faculty, Mr. Nilay Agarwal gave a stirring address in which he reminded the youth of their actual mission.

The Students' Union of Maitreyi College, in collaboration with National Service Scheme (NSS) and National Cadet Corps (NCC) volunteers, successfully organized the "Ek Tareekh Ek Ghanta" initiative as part of the "Swachhata Hi Seva" Campaign on 1st October 2023. Commencing at 10:00 am within the college premises and continuing in a dynamic rally leading to the Delhi University South Campus Skywalk, this impactful cleanliness drive featured spirited slogans and eye-catching posters promoting cleanliness and environmental awareness. Volunteers tackled various cleanliness-related tasks, including cleaning the skywalk and managing garbage collection in the underbridge area near Moti Bagh. The collective efforts resulted in a noticeable transformation in the cleanliness of both the Delhi University South Campus Skywalk and the Underbridge area near Moti Bagh, enhancing and improving hygiene conditions. These efforts, magnified by the strategic placement of informative posters, served to educate and remind the community of their role in preserving cleanliness and adopting responsible waste disposal practices. The initiative stands as a commendable success, made possible through the dedication and support of all the volunteers.

Report of the event:

On 5 October, 2023, NSS Maitreyi in collaboration with Dhiti, The English Literacy Association, Maitreyi College organized a seminar for awareness regarding mental health issues. The mental health awareness session was led by student counsellor and child psychologist Ms. Akansha Kapoor, who was the resource person for the event.

She emphasized on the importance of mental health and dispelled common myths related to mental illness to reduce stigma. She discussed various mental health conditions like stress, anxiety, depression and self-esteem issues as well as their impact on students' daily life functioning, academic performance and over all well-being. The session included interactive activities, case studies and real-life examples to encourage students. The session included only students along with the resource person to ensure that privacy was afforded to all participants where they could discuss their personal and academic issues without any fears of disturbance. After the seminar, students were invited to share any experiences, suggestions, or compliments they may have had that made them feel like others care about them in a confession box that said, "Speak up, we'll listen to you."

The mental health awareness session witnessed active participation. Around 50 students from all different courses and academic years attended the seminar.

‘To know your rights is to know yourself’

With this determination and grit 7 NSS volunteers embarked on a noble mission to impart essential knowledge to young children, enlightening them about the crucial distinctions between good touch and bad touch, while also nurturing a profound understanding of their inherent rights.

Guided and supported by the unwavering presence of the SAHYOG Foundation, aptly named "the helping hand," these dedicated volunteers paved the way for 50 underprivileged children to step into the realm of knowledge and self-assuredness.

The children's journey began with a warm embrace of comfort and joy, as they were engrossed in an array of delightful activities, painting bright smiles across their faces and filling their hearts with newfound hope.

In a gesture of unwavering solidarity, the Oneworld news extended its compassionate hand by providing a sumptuous meal, serving it as a symbol of nourishment for both body and soul. The event emerged as an overwhelming success, not only spreading awareness but also planting the seeds of happiness in the lives of these resilient children.

On 31st October 2023, National Social Service Society (NSS) of Maitreyi College attended the Government of India's "Meri Mati, Mera Desh" event at Kartavya Path held from 9.30 am to 6.30 p.m. On the occasion of Sardar Vallabhbhai Patel's birth anniversary, people from all walks of life came together to pledge their commitment to "Mahi Bharat Sankalp," a promise to work together to make our nation great by enjoying its dynamic diversity and cherishing its rich legacy. Sumedha Kurmahe and Kailash Kher, two amazing performers, performed during the occasion. The participation of dignitaries like as Amit Shah, Anurag Thakur, Meenakshi Lekhi, Piyush Goyal, JP Nadda, and Ashwini Vaishnav added a sense of prestige to the gathering.

The event's focal point was the address delivered by Prime Minister Narendra Modi, who unveiled his vision for a greater India. His motivating motto, "Yeh Sankalp Hamara Hai, Bharat Ko Bhavya Banana Hai," had a profound impression on attendance. The Indian Armed Forces, comprising the Air Force, Navy, Army, and Women's Army, presented patriotic instrumental performances to convey pride and solidarity. Nukkad natak was conducted in front of the Prime Minister to demonstrate care for the environment and also refreshments were served to the volunteers twice.

To symbolize the unity of our diverse nation, soil from nearly 6 lakh villages across India was collected and placed in a large pot, giving life to "Amrit Udyan," a garden that will flourish as a testament to our collective strength. The "Meri Mati, Mera Desh" meeting was memorable and profound. It reawakened patriotism and fostered a dedication to environmental conservation. It highlighted that when people work together for a common goal, we can achieve great things while maintaining our heritage and sustaining our beautiful country.

DAY 1

On the inaugural day of the Divya Utsav event, at Tyagraj Stadium, the esteemed Chief Guest, Dr. Virendra Kumar, Hon'ble Union Cabinet Minister for Social Justice and Empowerment, Government of India, graced the occasion with his presence. The festivities commenced with a visit to the eco-friendly stalls showcasing the vibrant Art and Craft Mela within the stadium premises.

The event unfolded with a warm welcome address by SCPD, setting the stage for an enriching experience. The program featured a captivating performance and felicitation of Sri Chitranjan Tripathi, Director, NSD, recognizing his significant contributions.

Highlighting the day were the Lifetime Achievement Awards conferred upon Dr. Mathew Varghese and Shri Sunehari Lal Yadav, acknowledging their remarkable work. The event also witnessed the flag-off ceremony for Eagle special riders, who, as messengers, embarked on a journey to raise awareness about the Rights of Persons with Disabilities (RPwD) Act and disabilities.

Amidst the jubilant atmosphere, attendees had the opportunity to explore a diverse array of culinary delights at the food court. The cultural spectrum was brought to life by students from DOE schools, offering a heartwarming cultural program. Additionally, Hradya Sara graced the stage with a mesmerizing cultural performance, while advocate Shri Tejasvi showcased the art of yoga through a captivating performance.

The inaugural day of Divya Utsav thus proved to be a multifaceted celebration, blending art, culture, recognition, and advocacy for the cause of empowerment and inclusion."

DAY 2

On the dynamic second day of the Divya Utsav Event, the grand unveiling of the Art and Craft Exhibition and the delightful Food Court added vibrant hues to the festivities. The stage came

alive with the soulful performance by Bhupinder Parmar, a talented singer hailing from the Punjabi Academy.

A spectacular cultural performance unfolded as the children with special needs (CWSNs) of Vision Divyang Foundation showcased their talents, emphasizing inclusivity. The day continued with the felicitation of esteemed panelists of the seminar on "Inclusivity and Accessibility," paving the way for insightful discussions.

Diverse cultural performances by various artists, CWSNs, and students of DOE/DSW captivated the audience. The rhythmic beats of a band performance by students of 'Udai March' and a captivating presentation by Nav Utthan Group added a musical touch to the celebration.

The event reached its pinnacle with the arrival of the Chief Guest, Hon'ble Km. Pratima Bhoumik, Minister of State for Social Justice and Empowerment. NCC cadets paid a dignified Guard of Honour, setting the stage for a series of impactful events.

The Welcome Address by SCPD, a stellar performance by Shri Chitranjan Tripathi, Director, NSD, and an engaging yoga performance by advocate Shri Tejasvi marked significant moments. The felicitation of Shri Tejasvi and the subsequent appreciation awards bestowed upon Maitreyi College, the Department of Social Welfare, and the Directorate of Education by the Chief Guest highlighted their commendable contributions.

The event reached its zenith with the Secretary of DEPwD, MSJ&E, GOI, delivering remarks and a speech. The Chief Guest concluded the Utsav with a speech and declaration, culminating in the harmonious rendition of the National Anthem, enriched with the beauty of sign language.

On 26-02-2024 Rashtrapati Bhawan hosted the vibrant and empowering Purple Fest.

The event aimed to spotlight inclusivity and celebrate the talents of individuals with disabilities. With around 40 dedicated volunteers, along with other volunteers relentlessly working with CURE INDIA at the art stall, enlightened the audience about accessible art. The fest created a platform for multiple students from various NGOs, homes, and government schools to showcase their talents and enthusiasm. The fest buzzed with energy as participants of all age groups embraced the spirit of inclusivity with zest and zeal.

The Purple Fest served as a beacon, urging society to shift its focus towards embracing diversity and recognizing the abilities of all individuals. The heart of the fest lay in its diverse array of stalls, where breathtaking artwork and hand-made items were proudly displayed. What made these exhibits truly remarkable was that they were crafted by individuals with disabilities, demonstrating unequivocally that disability should never be a barrier to creativity and expression.

President Draupadi Murmu graced the event, adding to its significance and underscoring the importance of the cause. Her presence lent further weight to the message of inclusivity and empowerment championed by the Purple Fest.

The event ran from 8:30 a.m. to 5:30 p.m., providing ample time for attendees to immerse themselves in the festivities, engage with the participants, and appreciate the talent on display. In addition to the art exhibition, various activities and performances enriched the fest, creating an atmosphere of joy, unity, and acceptance.

In conclusion, the Purple Fest at Rashtrapati Bhawan was not just a celebration of art and creativity but also a powerful testament to the indomitable spirit of individuals with disabilities. It served as a reminder that inclusivity is not just a goal to strive for but a necessity for building a more compassionate and equitable society.

On 1st March 2024, NSS Maitreyi in collaboration with NSS Ramanujan, NSS IIT Delhi, NSS Vivekananda, and NSS Acharya Narendra Dev College organized a joint cleanliness drive in Lodhi Garden, which is also home to several tombs of rulers from the Lodhi Dynasty. Being an area of historical importance and full of greenery, the drive spread awareness regarding the importance of a clean environment while following all the sanitary precautions. The drive also focused on the collection and separation of garbage into degradable and non-degradable categories, later on to recycle as much as possible. The drive impeccably united the volunteers from various colleges, with 22 members from NSS Maitreyi, including different heads.

Aim of the drive

A clean environment is our responsibility.

Public places such as gardens are regularly visited by many individuals and despite the maintenance done by the government, we can't ignore the fact that there is plenty of waste still being thrown in the open area, segregation and proper disposal of which can inhibit the breeding ground for a variety of disease-causing species. Greener places like gardens host a variety of species especially birds, and open plastic waste is a cause of serious concern for their health. The non-degradable waste in the open not only causes soil pollution but can also lead to damage when eaten by stray animals. Our ancestors dreamt of a greener India, so let's make this a cleaner India. If the youth join hands, a revolution can surely be sparked.
