MAITREYI COLLEGE

Accredited A++ Grade by NAAC

University of Delhi

Eco-Club Maitreyi college strongly believes in sustainable developmental approaches towards life and so this year it's one of the initiatives was to “Establish organic nutrition garden - NUTRIBIOME” for demonstration purpose as to educate college students about the sustainable model contributing to food security.

Adequate nutrition is a fundamental requirement of any individual. The aim of the “Nutrition Garden – NUTRIBIOME” is to promote nutrition and healthy lifestyle awareness and actions leading to behavioural change of the students. It holds the potential to contribute towards nutritional security of students and staff of the college. The horticulture project is contributing towards the sustainable improvement of nutrition of students and staff. This project is established in collaboration with HCL Foundation so that the students can learn to develop entrepreneurship and also enhance their skills in promoting organic concept through demonstration of nutrition garden. This project also helps college to recycle their horticulture waste generated in the campus as to make compost and further the compost is used to nurture the plants.

OUTCOMES OF NUTRIBIOME

- The fruits, flowers and vegetables allow for a rich diversity of fauna to prosper on the campus.
- The students learn the principles of organic nutrition garden by participating and further applying the same at their homes.
- Students are educated to value biodiversity and also it will help to enrich the soil fertility in greater extent.
- The composting of the leaves and other biodegradable products is done in specifically designed pits, thereby recycling the waste to keep the practice operating in a self-sustaining mode.
- The rich foliage of herbs, shrubs and trees has allowed for a diversified niche development for the fauna too. Enthusiast minds can find a good diversity of insects, birds (both resident and migratory ones), mammalian species prospering on the campus.

PRAKRITI

“ECO-CLUB”

MAITREYI COLLEGE

Accredited A++ Grade by NAAC

University of Delhi

Date: 26th September 2023

Venue: NSB 8, Maitreyi College

Resource Person: Ms. Gurpreet Kaur

Convenor: Dr. P. Kavita

Organizing members: Dr. Mansi Gogna and Dr. Vandana

On the occasion of World Environment Health Day, “Prakriti”- The Eco-club of Maitreyi college organized an event on 26th September 2023. This event had three sessions including a seminar, a slogan writing competition and a session for gratitude expression towards the Environment. Details of all the three sessions are discussed in the following sections of the report. Overall, the seminar on "Empowering Women: Establishing the Connection of Environment to Women's Health" was a resounding success, offering valuable insights into the environmental factors that impact women's health. The event was marked by a collaborative and appreciative spirit, as attendees actively engaged in activities such as the “Wall of Gratitude” and the “Slogan Writing Competition”.

The knowledge shared during this event through various activities provided the participant a deeper insight of environmental health and its association with human welfare especially with women. It also helped them to realize and appreciate the natural resources with which we are blessed.

SESSION- 1

Seminar: Empowering Women - Establishing the Connection of Environment to Women's Health

A seminar was organized to raise awareness about the intricate relationship between the environment and women's health. The event was a great success, and it featured distinguished speakers and interactive activities. The event commenced with an opening ceremony hosted by Dr. Mansi Gogna, Department of Botany, Maitreyi College, who welcomed the participants and set the tone for the seminar. Dr. P. Kavita, Department of Botany, Maitreyi College, welcomed the speaker, Ms. Gurpreet Kaur with a potted plant as a symbol of appreciation. Ms. Gurpreet Kaur, began by introducing herself and highlighting the importance of environmental health. She emphasized the significance of celebrating World Environmental Health Day and its relevance to women's well-being. Ms. Kaur's insightful presentation shed light on the vital connections between environmental factors and women's health, including:

- The impact of air and water pollution on reproductive health, pregnancy, and childbirth.
- The link between climate change and extreme weather events on women's health and safety.
- The role of environmental toxins in increasing the risk of chronic diseases, such as cancer, heart disease, and diabetes, in women.
- The importance of access to clean water and sanitation for women's health and well-being.

Ms. Kaur also highlighted the importance of empowering women to lead the fight for environmental justice and protect their own health and the health of their communities. She encouraged women to advocate for policies and practices that promote environmental health and well-being, and to make sustainable choices in their daily lives.

SESSION- 2

Grateful For Green Gifts: Environmental Gratitude Day

An integral part of the event was the "Gratitude Day" celebration. Attendees were invited to contribute by adhering sticky notes with inspiring messages to the "Gratitude Wall." This activity served as a collaborative expression of appreciation and acknowledgment for the event's significance.

SESSION- 3

SLOGAN WRITING COMPETITION

THEME: Healthy People, Healthy Planet

In line with the seminar's theme, a Slogan Competition was announced. Participants were encouraged to create slogans related to environmental health care properties, diseases, and their interconnections. This competition aimed to engage attendees actively and promote creative thinking. The participants positively abided by the rules and maintained the decorum throughout. The competition was judged by Dr. Monika Heikrujam and Dr. Shweta Sharma of Department of Botany

The poster features a central graphic with the text "SLOGAN WRITING" in a large, bold, sans-serif font, arching over a globe. The globe has the text "HEALTHY PEOPLE, HEALTHY PLANET" written on it. Above the globe, there are silhouettes of people holding hands. The background of the poster is a soft-focus image of pink flowers.

NATIONAL WORKSHOP

ON

SPREADING AWARENESS ON EMERGING CHALLENGES OF AIR POLLUTION AND CLIMATE CHANGE ON HUMAN HEALTH IN URBAN ECOSYSTEM

Category(Soft Skills/Academic/Excursion/Cultural etc.): Academic

National/International/Inter-University/State Level/College Level: National

Date (DD-MM-YYYY): 09-11-2023

Name of the organizing Department/Society: Eco-Club 'Prakriti' Maitreyi College in collaboration with Environmental Pollution Laboratory (EPL), Department of Environmental Studies, University of Delhi,

Name of the convenor/coordinator of the event: Dr. P. Kavita, Maitreyi College and Prof. Chirashree Ghosh

Name of the judges (alongwith their affiliation): Dr. Gyan Prakash Sharma, Associate Professor, DES, University of Delhi Dr. Shailendra Kumar, Assistant Professor, Miranda House and Dr. Vandana, Assistant Professor, Maitreyi College.

Total Number of the participants/beneficiaries (with relevant proofs): 119

Number of the participants/beneficiaries from college: 119

A National Workshop was organized by the Environmental Pollution Laboratory (EPL), Department of Environmental Studies, University of Delhi, in collaboration with the Eco-Club 'Prakriti', Maitreyi College at the New Science Block (NSB) Seminar Hall of the college. The workshop was sponsored by the Department of Science and Technology (DST) - Government of India. The event started with the ceremonial lamp lighting during the inaugural session. Prof. Haritma Chopra, Principal, Maitreyi College graced the occasion by her presence. Our Chief Guest, Prof. Chandan Ghosh, NIDM, Ministry of Home Affairs, GOI and Prof. Chirashree Ghosh, Department of Environmental Studies (DES), University of Delhi addressed the students briefly. Dr. P Kavita, Assistant Professor, Maitreyi College gave a vote of thanks to our guests, Principal madam, organizing team and students for their gracious presence and enthusiasm.

In the first session, our Chief Guest Prof. Chandan Ghosh delivered his lecture on 'How air pollution control measures works'. His talk included various domains of IoTs (Internet of Things), devices to measure environmental pollution, technical specification of masks, petroleum tree till date etc. The next talk was by Prof. Chirashree Ghosh, on 'Winter Air Pollution in Delhi: An Air Emergency' where she discussed about smog, seventeen sustainable development goals (SDGs), air quality index (AQI) with respect to seasonal variation, AQI emergency actions and how air pollution affects our health which was followed by a hands-on experiment with student volunteers by Dr. Arun Kumar Yadav on checking the lung efficiency using an instrument called spirometer.

Session-2 started post-lunch with a lecture by Dr. Gyan Prakash Sharma, Associate Professor, DES, University of Delhi on 'Intruders in the Plant World' which was basically on invasive plant species where he gave an insightful description on how an invasive species establishes itself and impacts the overall ecology of its ecosystem and survival of other life forms including the apex species of the food chain. The following talk was presented by Dr. P. Kavita, Maitreyi College, on 'Rapid testing of soil and compost samples for sustainable organic farming' that also included hands-on experience for students where they performed the tests for given samples. At the end of the event, entries of a

photography competition which were submitted online by the students in advance were judged by Dr. Gyan Prakash Sharma, and Dr. Shailendra Kumar, Assistant Professor, Miranda House.

The event was followed as per the following schedule:

Time	Program
09:30 – 10:00 am	Registration of Participants (On-spot)
Inaugural Session	
10:00 – 10:10 am	Welcome of Guests
10:10 – 10:20 am	Address by Prof. Chirashree Ghosh , Department of Environmental Studies (DES), University of Delhi
10:20 – 10:30 am	Address by Prof. Haritma Chopra , Principal, Maitreyi College, University of Delhi
10:30 – 11:00 am	Address by Chief Guest, Prof. Chandan Ghosh, NIDM, Ministry of Home Affairs, GOI
11:00 – 11:15 am	Vote of Thanks by Dr. P. Kavita, Assistant Professor , Maitreyi College, University of Delhi
11:15 – 11:40 am	<i>Refreshment</i>
Technical Session 1	
11:40 – 12:20 pm	Lecture by Chief Guest Prof. Chandan Ghosh, NIDM, Ministry of Home Affairs, GOI.
12:20 – 01:00 pm	Talk by Prof. Chirashree Ghosh and Hands on by Dr Arun Kumar Yadav on Spirometry
01:00 – 02:00 pm	<i>Lunch</i>
Technical Session 2	
02:00 – 03:00 pm	Lecture Address by Dr. Gyan Prakash Sharma, Associate Professor, DES, University of Delhi entitled “ Intruders in the Plant World ”
03:00 – 03:30 pm	Hands on by Dr. P. Kavita , Assistant Professor, Maitreyi College, University of Delhi ‘ Rapid testing of soil and compost samples for sustainable organic farming ’
03:30 – 03:45 pm	Student activity – Photography competition
03:45 – 04.00 pm	Quiz Competition
Valedictory Session	
04:00 – 04:15 pm	Distribution of Certificates and Group Photograph
04:15 – 04.30 pm	<i>High Tea</i>

Poster of the event:

The poster features logos at the top for EPL, DST, Government of India, G20, and University of Delhi. The main title is 'National Workshop on SPREADING AWARENESS ON EMERGING CHALLENGES OF AIR POLLUTION AND CLIMATE CHANGE ON HUMAN HEALTH IN URBAN ECOSYSTEM'. It is sponsored by the Department of Science and Technology (DST), Government of India, and organized by the Environmental Pollution Laboratory (EPL), Department of Environmental Studies, University of Delhi. The event is in collaboration with Eco-Club 'Prakriti' at Maitreyi College, University of Delhi. The event details include the date November 9, 2023, starting at 9:30 AM, and the location NSB Seminar Hall. The theme is 'Breathless Cities: The Cost of Pollution'. Activities include a theme-based photography competition with prizes, e-certificates, and refreshments. A QR code is provided for registration, with the URL <https://forms.gle/BF8GNrLq6p4eXYsP9>. The organizing committee includes Prof. Haritma Chopra (Principal, Maitreyi College), Prof. Chirashree Ghosh (Convener & Organizing Secretary), and Dr. P Kavita (Co-organizing Secretary).
