# Webinar on Long Covid: Vaccination and Future

Date: 22<sup>nd</sup> August 2021

Duration: 2:00 – 4.30p.m

Link: <https://us06web.zoom.us/j/89354827714?pwd=MLk5aXQrL05nb014c0hBM3J5SVh1QT09>

“NSS MAITREYI COLLEGE”, University of Delhi in collaboration with “UNNAT BHARAT ABHIYAN” and “FRAGRANT FLOWERS GROUP OF DISABLED WOMEN” had organized a webinar on ‘Long Covid: Vaccination and Future’. The session was conducted by Dr. Mathew Varghese who is an expert speaker about covid and renowned Orthopaedic Surgeon. The session was conducted in bilingual mode.

The webinar was enlightened with the wonderful words by the Principal, Prof. Haritma Chopra stating that on this auspicious occasion of Raksha bandh, symbol of love and protection is not limited within siblings but every front-line worker who worked for us during this pandemic.

Dr. Mithila Bagai welcomed the audience and the speaker. Dr Anamika Singh and Pushpa Pandey addressed “UNNAT BHARAT ABHIYAN” and “FRAGRANT FLOWERS GROUP OF DISABLED WOMEN” respectively.

The webinar was attended by more than 150 participants which was all across the country including the disabled people. In the initial minutes of the webinar the topic was primarily focused on WHO statistics, for a better understanding of the situation. Following up major key aspects which were covered are as follows:

- WHO statistics displays USA, India and Brazil in Top 3 countries with maximum reported cases, with no mention of China in the list contradicting the fact, it's the place of origin.
- Statistics of different countries on testing and deaths, MAX- USA, MIN- Bangladesh, India – second position.
- Representation of different Graphs, indicating different variants of the virus.
- Mistrust among the general public due to constant changing of the information about the virus.
- SARS-COV-2 Transmission, Pre-symptomatic patients' higher risk of transmitting the virus.
- The Science of Virus is in a constant process of change.
- AIIMS-ICMR Protocol, constant evolution since the starting of the pandemic.
- Selected COVID-19 Vaccines, within one year of identification of virus. With different platform(source), there are various types of vaccines.
- India vaccine status: Covishield (Oxford Astra Zenca) and Covaxine (Killed Virus Vaccine) Sputnik V ( similar to the Oxford-AsrtaZenca and Johnson &Johnson)
- Pregnancy and Vaccines
- Delta Variant, Transmission rate greater and mutations and variants will continue and new variants will keep on appearing.
- Virus will reach a stage where its host will be resistant , that will be the stop level of the virus.
- The complexity of natural processes encourages us to remain open-minded about improbable events.
- Case study of Kerala.
- No solid evidence that 3<sup>rd</sup> wave will impact the children.
- The severity of 3<sup>rd</sup> wave will be less, in the form of minute waves.

- Across the world, 770 million children still weren't going to school full time by the end of June 2021 and more than 150 million kids in 19 countries had no access to in-person schooling.
- Long covid: Definition- Lasting of symptoms beyond more than 4 weeks after the covid infection, it's various symptoms and implications.
- Mental health issues like depression, anxiety due to the virus.
- Learning opportunities from the pandemic in various fields.
- Constant wearing of masks, Hand sanitizing and proper Physical distancing has to be maintained in continuation.
- Until now at least 60% population is immunized or achieved herd immunity and emerging variants are shown to be controlled by nature of vaccine induced immunity.

The webinar made its closure with question session, where myths and doubts were put to rest which included one to one interaction, and wonderful vote of thanks by Dr Smriti Singh which made the audience assured of their health and security in the pandemic cause of the informative session. Also acknowledging every member involved in organizing this, which made this webinar a successful one.

More than 8 million tonnes of plastic bottles end up in the sea every year. Not only are these bad for the environment, but these are also bad for your health. There are no BPA's or phthalates in stainless steel bottles, unlike plastic bottles. Besides safety, steel bottles are also known for their durability and longevity. A steel bottle it can last upto 12 years. Quit buying single use plastic bottles, carry your own stainless steel bottle with you ; save your money, health and save the environment.

## **“WEBINAR ONOMICRON VIRUS”**

**DATE:** 10<sup>TH</sup> January 2022

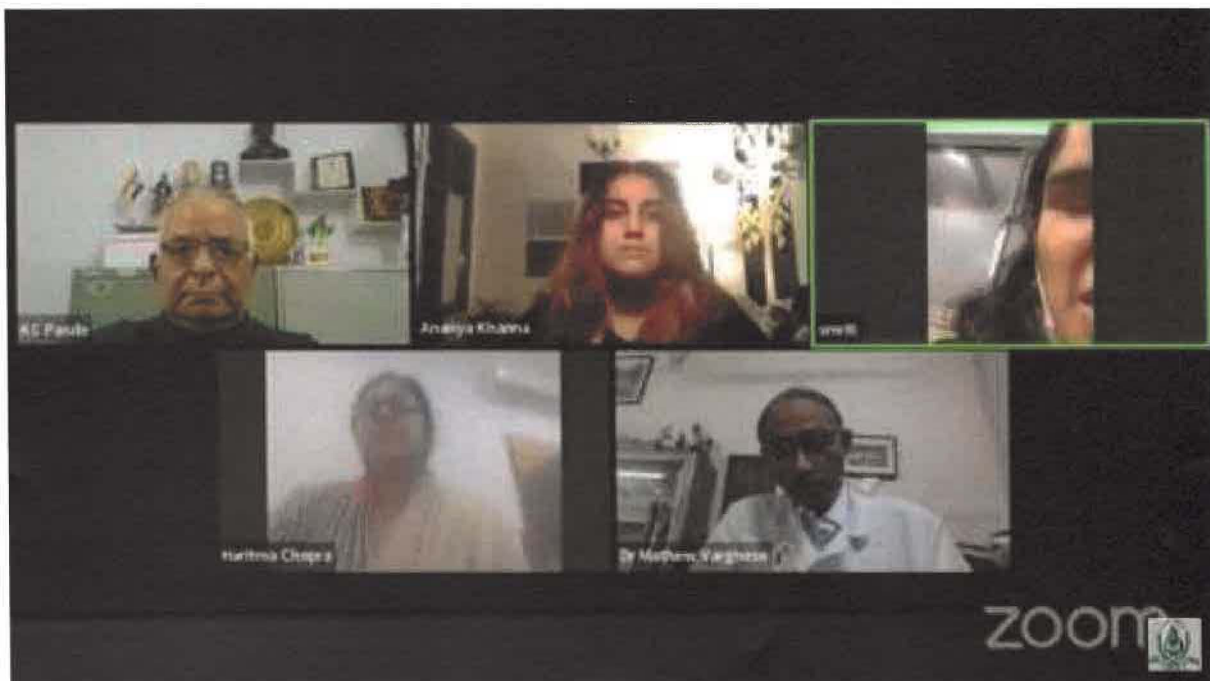

**PARTICIPANTS:** - 150

The NSS Team of Maitreyi College, University of Delhi organized an informative webinar on the new variant of the Covid 19 called Omicron in collaboration with Blind Relief Association, Delhi. Dr Mathew Varghese, a senior Orthopedic surgeon addressed the virtual gathering.

In the webinar, Dr Mathew extensively shared information about what Omicron is and how differently it affects us from the previous variant. The webinar witnessed a thorough discussion on how the virus affects children and what we can do to protect ourselves from it.

It was a very informative and mind-stimulating talk which was followed by questions which were put up by the participants related to the virus. At last, feedback forms were circulated among the participants to take their review of the session.

**CONVENORS:** - Dr. Smriti Singh

## **NASHA MUKTI EVENT**

14 September,2022

Organised by: NSS, Maitreyi College, Delhi University

'Nasha Mukti Event' was held on 14<sup>th</sup> September 2022 organised by NSS, Maitreyi College on the college premises in the presence of NSS, Maitreyi Convener Dr Smriti Singh and Dr Mithila Bagai. The event was a collaboration of NSS, NCC and the Students' Union, Maitreyi College. The event was a social boost among the college students and the youth who are prey to different intoxicants.

Various other events and competitions were held as a part of this event which included oath, rally, painting and slogan writing competitions.

The oath ceremony took place before the rally which motivated the participants to take an oath to stop all forms of intoxication.

The rally was a step forward in to fight against the increasing consumption of drugs, cigarettes, tobacco and alcohol among the youth. The rally was a great success which attracted 51 students and staff members of the college to participate actively.

Painting and slogan writing competitions were held on the theme 'NASHA MUKTI' and the slogans & paintings were showcased during the rally. The winners of the competitions were awarded handsome cash prizes. A jury was set up to judge the competitions. E-certificates were provided to all the participants of the event.

The event was a success and impressively met all the objectives. More than an awareness rally the event was a change maker which united the students to work against intoxicants which are ruining the youth.

# BLOOD DONATION CAMP

Date: 12<sup>th</sup> October 2022

Participants: - 250

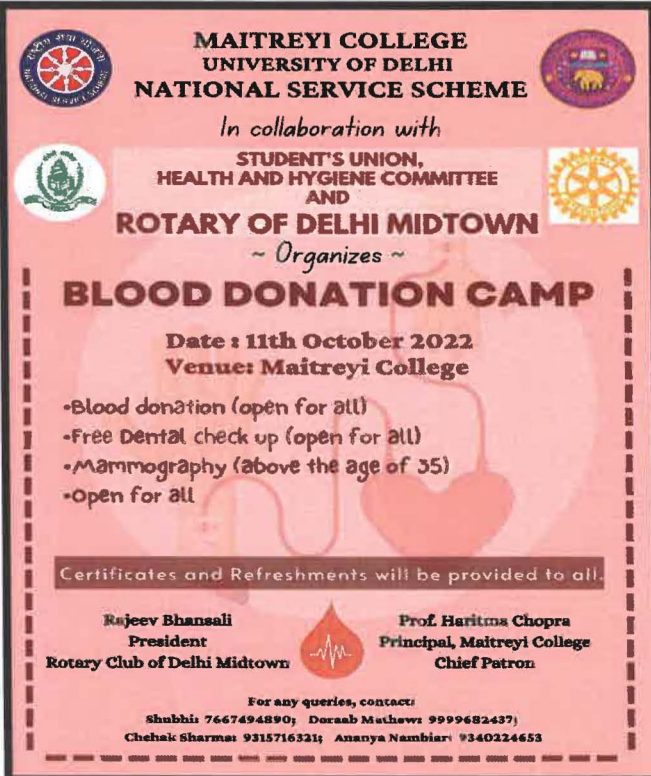

NSS Maitreyi College, University of Delhi, in collaboration with the Student's Union, Health and Hygiene Committee and Rotary Club of Delhi Midtown organized Blood Donation Camp. It was a two-day event held on the 11<sup>th</sup> and 12<sup>th</sup> of October. On the Initial Day, the workshop was held on blood donation, and the speaker of the event was Dr Anju Verma. Proper procedure and doubts were cleared for the candidates following up the blood donation camp. The talk, in fact, motivated more students, and non-teaching staff from different colleges to get themselves registered for the event.

On 12<sup>th</sup> October 2022, The Camp was held on the college premises itself, various medical check-up was sponsored by the Rotary Club of Delhi Midtown, which included Mammography and Dental Check Up alongside Blood Donation.

The event made a big impact on social work, and the importance of Blood donation, as the number of participants in total received was more than 200. Overall the event was a major success, in bringing a change in society and helping people take a step toward saving people's lives.

## Volunteer Workshop

Date: 29<sup>th</sup> November 2022

Participants: 150

NSS Maitreyi, the University of Delhi in collaboration with Youth for Seva, had organized a workshop on “Importance of Volunteering”.

The speaker Omita Monga spoke graciously about the importance of volunteering and how the modern generations find it unhelpful, and do it only when it is mandatory.

Smriti Singh

NSS Convenor

A poster for a workshop titled "WHAT IS VOLUNTEERSHIP?". The poster features the National Service Scheme (NSS) logo on the top left, which includes the text "राष्ट्रीय सेवा योजना" and "NATIONAL SERVICE SCHEME". To the right of the NSS logo, it says "NATIONAL SERVICE SCHEME" and "MAITREYI COLLEGE". In the top right corner, there is a circular badge with "5/5" and a small logo. Below the college name, it says "Conducts the workshop on" in a black box. The main title "WHAT IS VOLUNTEERSHIP?" is written in large, bold, black letters. Below the title, it says "In collaboration with" in a black box. At the bottom, it says "YOUTH FOR SEVA" in large, bold, black letters. The background of the poster is a blurred image of a person's face.
