Additional Information: -	
Interview Process to be conducted by the Department	ADMISSION-INTERVIEW-PROCESS AS CONDUCTED BY THE DEPARTMENT Faculty of Management Studies (FMS) will shortlist candidates for appearing directly in interview for Ph.D. admission on the basis of the above mentioned eligibility criteria. The applicants must mandatorily choose ONE of the above-mentioned research areas. Candidates who fail to mention the research area will not be shortlisted for interview. The applicants are also mandatorily required to submit a summary of research proposal in their indicated area of research interest to be eligible for being called for interview. The Research Proposal (Max.1500 words) must include the following sections:
	<ol> <li>Rationale and Research Gap</li> <li>Objectives</li> <li>Key Research Questions/hypotheses</li> <li>Methodology (including data sources and methods of analysis)</li> <li>Expected Contribution</li> <li>The applicant should also submit a Statement of Purpose (SOP) not exceeding 250 words.</li> <li>All eligible candidates will be required to appear for a personal Interview to be considered for admission. Merit list will be drawn for each functional area (with statutory reservations as per University of Delhi rules) based on marks secured on the basis of several criteria the details of which will be posted on the FMS website.</li> </ol>
	SPECIAL NOTE REGARDING ADMISSION TIMELINE FMS will have only one PhD admission cycle (starting from July) per academic year. This is because of the compulsory, successful completion of the coursework for all scholars that coincides with the MBA program schedule. Scholars without an MBA degree are

required to attend classes with regular MBA students- for two semesters- whose classes begin in July and the structure of the curriculum is in 3 sequence. Therefore scholars must start attending courses with the newly admitted MBA students from July. The two semesters are run in a tight timeline.

- Candidates holding Junior Research Fellowships or equivalent research positions in projects, satisfying the minimum eligibility conditions (subject to selection by the duly constituted committee as per the University norms for research projects) may also appear directly for an interview.
- Scientists/professionals working at R&D institutes of the Government of India/State Government with whom the University has signed a Memorandum of Understanding may directly appear for interview subject to fulfilling minimum eligibility criteria.
- 10. The allied subjects for admission to Ph.D. Programme in a particular Department shall be decided by the DRC of the respective Department in consultation with faculty members who have advertised for vacancies, based on their specific requirements. The list of allied subjects duly approved by the DRC may be submitted to the respective BRS for approval, after which it may be displayed on the website of the Department.
- No candidate shall be eligible to register for the Ph.D. programme if he/she is already registered for any full-time programme of study in any University/Institution.

- 12. Foreign nationals fulfilling the eligibility criteria may be registered for Ph.D. ever and above the maximum admissible strength. Each supervisor can guide up to two international research scholars on a supernumerary basis over and above the permitted number of Ph.D. scholars as specified in Clause G.3. Foreign nationals must provide evidence of language competence suited to the Department they wish to join. Foreign nationals are exempted from entrance test and interview. They may be admitted based on their research proposal, subject to fulfilling the minimum eligibility criteria. The decision regarding the same rests with the DRC subject to approval from BRS for the Ph.D. Programme.
- 13. Candidates possessing a degree considered equivalent to M.Phil. Degree of an Indian Institution with 55% marks or from a Foreign Educational Institution accredited by an Assessment and Accreditation Agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country for the purpose of assessing, accrediting or assuring quality and standards of educational institutions, shall be eligible for admission to Ph.D. programme.
- Faculty of Management Studies may shortlist candidates for appearing directly in interview for Ph.D. admission on the basis of CAT score.

Important Note: All candidates appearing directly for interviews also have to register on the online admission portal.

## D. Entrance Test and the Interview

- As per UGC Regulations 2022, the Entrance Test for Ph.D. Programme shall be conducted once a year and the eligibility of shortlisted candidates shall remain valid till the next entrance test. The interviews may be held twice a year or more, subject to the availability of seats as determined by the DRC.
- The Entrance Test syllabus shall consist of 50% of research methodology, and 50% shall be subject-specific.
- 3. The entrance test will be a qualifying examination with 50% as the qualifying marks for candidates belonging to the unreserved category. Students who have secured 50 % marks in the entrance test are eligible to be called for the interview.
- 4. A relaxation of 5% of marks (from 50% to 45%) shall be allowed in the entrance examination for the candidates belonging to SC/ST/OBC (Non-Creamy layers)/ Differently-abled category, Economically Weaker Section (EWS), and other categories of candidates as per the decision of the University Grants Commission from time to time.
- 5. The Departments shall conduct interviews for Ph.D. admissions simultaneously for all the categories and ensure that the category of candidates is not revealed at the interview. Once the merit of the candidates is collated, the respective DRCs

may allot the seats as per the reservation provisions of the Government of India/the University.

- 5. The Entrance Tests in various subjects shall be staggered to allow the candidates to appear in written test in more than one subject, if they so desire.
- 7. For the selection of candidates who qualify in the entrance examination, a weightage of 70% to the entrance test and 30% to the performance in the interview/viva voce shall be given.
- 8. At the time of the interview, if required, experts/prospective Supervisors from allied/specialized areas may be invited.
- 9. At the time of the interview, the candidates are required to discuss their research interest/area through a presentation before a duly constituted Committee. The interview shall also consider the following aspects:
  - a. the candidate possesses the competence for the proposed research;
  - b. the research work can be suitably undertaken at the University
  - c. the proposed area of research can contribute to new/additional knowledge.
- 10. The merit list of the recommended randidates shall be displayed on the website after approval by the DRC. There will be a waiting list in the order of merit.
- 11. The DRC reserves the right not to select candidates for all the vacancies advertised.
- 12 The DRC shall ensure that all University rules as well as reservation rules are followed in the admission process.
- 13. The registration of candidates in the Ph.D. programme may be confirmed by the BRS based on the recommendation of the DRC after the completion of coursework.
- 14. As per UGC Regulations 2022, the Departments shall maintain a list of Ph.D. supervisors (specifying the name of the supervisor, his or her designation, and the department/school/Centre/college), along with the details of Ph.D. scholars (specifying the name of the registered Ph.D. scholar, the topic of his/her research and the date of admission) admitted under them on the website of the university and update this list every academic year.

### E. Coursework

1. The Credit requirement for the Ph.D. coursework is a minimum of 12 credits, including a "Research and Publication Ethics" course as notified by UGC vide D.O. No. F.1- 1/2018(Journal/CARE) in 2019 and a research methodology course. A minimum of four credits shall be assigned to the course on Research Methodology.

A sufficient number of the optional courses shall be offered by the Departments. Other courses shall be advanced-level courses preparing the students for Ph.D. degree. Ph.D. scholars shall also be permitted to take optional courses from allied departments.

- All Ph.D. scholars, irrespective of discipline, shall be required to train in teaching /education /pedagogy/writing related to their chosen Ph.D. subject during their doctoral period. Ph.D. scholars in the 4<sup>n</sup> year & 5<sup>n</sup> year may also be assigned 4-6 hours per week of teaching/research assistantship for conducting tutorial or laboratory work.
- All courses prescribed for Ph.D. programme coursework shall be in conformity with the credit hour instructional requirement and shall specify content, instructional and assessment methods. These courses shall be duly approved by the DRC and the BRS.
- The Department where the research scholar pursues his/her research shall prescribe the course(s) to him/her based on the recommendations of the Research Advisory Committee of the research scholar.
- The Departments shall ensure that all research scholars, admitted to Ph.D. programme, complete the coursework along with the declaration of the result within the initial one or two semesters (first year).
- Marks/Grades in the course work shall be finalized after a combined assessment by the Research Advisory Committee and the Department, and the final marks/grades shall be communicated to the BRS & University before the end of the first year.
- 7. The DRC shall satisfy itself that each research scholar has completed the requirement of coursework. The Head of the Department shall provide to the student a certificate of completion of coursework and names of courses opted by each student. If a research scholar fails to qualify the coursework, she may be allowed to reappear only once in the immediate next examination of the declaration of result. If the result is still found unsatisfactory, the DRC may recommend cancellation of his/her registration. This may be reported to the Board of Research Studies in case of Ph.D. scholars. Under special circumstances (e.g. medical reasons), a final decision may be taken by BRS on the recommendation of the DRC for Ph.D. scholars.
- The credits of the coursework shall be transferable between the Departments of the University and inter-university, subject to their acceptance by the DRC.
- The research scholars shall not be allowed to take up any assignment outside the University during the coursework.
- 10. Research scholars already holding M.Phil. Degree or equivalent M.Phil. Degree (equivalence to be determined by DRC) and admitted to the Ph.D. programme, or those who have already completed the coursework in M.Phil. of University of Delhi and have been permitted to proceed to the Ph.D. programme, may be exempted by the DRC from the Ph.D. coursework. All other research scholars admitted to the Ph.D. programme shall be required to complete the Ph.D.

coursework prescribed by the Department.

- 11. A Ph.D. scholar must obtain a minimum of 55% marks or its equivalent grade in the UGC 10-point scale in the course work to be eligible to continue in the programme and submit his or her thesis.
- 12. Upon satisfactory completion of course work, and obtaining the marks/grade prescribed as the case may be, the Ph.D. scholar shall be required to undertake research work and produce a draft thesis within a reasonable time, as stipulated by the University based on UGC Regulations, 2022.
- 13. After admission to Ph.D. programme, the research scholar in consultation with the Supervisor, may propose a tentative broad area/title for Ph.D. thesis within one year. However, the final title for the Ph.D. thesis must be decided at the time of the pre-Ph.D. presentation. The final title will be subject to approval of the DRC and the BRS.

## F. Attendance

Research scholars shall be required to attend lectures (coursework) and participate in seminars arranged in the Department during the programme. The minimum percentage of lectures to be attended during the coursework will be two-thirds of the lectures delivered in all courses, individually.

# G. Eligibility Criteria for Supervisor

1. Permanent faculty members of the Departments/Colleges of the University Delhi working as Professor/Associate Professor with a Ph.D., and at least five research publications in UGC Care/Scopus journals and permanent faculty members working as Assistant Professors in the Departments/Colleges of the University with a Ph.D., and at least three research publications in UGC Care/Scopus journals shall be recognized as a Research Supervisor. Such recognized research supervisors cannot supervise research scholars in other institutions, where they can only act as co-supervisors. Ph.D. awarded by a university under the supervision of a faculty member who is not an employee of the university would be in violation of these Regulations.

For Ph.D. scholars working in Central government/ State government research institutions whose degrees are given by the University of Delhi, the scientists in such research institutions who are equivalent to Professor/Associate Professor/Assistant Professor can be recognized as supervisors if they fulfill the above requirements.

Provided that in areas/disciplines where there is no, or only a limited number of UGC Care/Scopus journals, the departments may relax the above condition for recognition of a person as Research Supervisor with reasons recorded in writing.

Co-Supervisors from within the same department/college or other departments/colleges of the University of Delhi or other institutions/industries may be permitted with the approval of the competent authority provided they fulfill all the eligibility requirements.

Adjunct Faculty members and Scientists from industry shall not act as Research Supervisors and can only act as co-supervisors.

- In case of interdisciplinary/multiclisciplinary research work, if required, a Co-Supervisor from outside the Department/School/Centre/College/University may be appointed.
- An eligible Professor/Associate Professor/Assistant Professor can guide op to eight (8) / six (6) / four (4) Ph.D. scholars, respectively, at any given time.
- Each supervisor can guide up to two international research scholars on a supernumerary basis over and above the permitted number of Ph.D. scholars as specified in Clause G.3 above.
- At any point, the total number of PhD scholars under a faculty member, either as a supervisor or a co-supervisor, shall not exceed the number prescribed in Clause G.3 and G.4 above.

## H. Allocation of Supervisor

- The allocation of Supervisor for a selected research scholar shall be decided by the DRC depending on the number of research scholars per Supervisor, the svailable specialization among the Supervisors and research interests of the research scholar, as indicated by them at the time of interview.
- In case of topics which are of inter-disciplinary nature and where the Department concerned feels that the expertise in the Department has to be supplemented from outside, the Department may appoint a Supervisor from the Department/College itself, who shall be known as the Supervisor, and a Co-Supervisor from outside the Department.
- 3. In case of relocation of a female Ph.D. scholar due to marriage or otherwise, the research data shall be allowed to be transferred to the University of Delhi to which the scholar intends to relocate, provided all the other conditions in these Regulations are followed, and the research work does not pertain to a project sanctioned to the parent Institution/Supervisor by any funding agency. Such scholar shall, however, give due credit to the parent institution and the supervisor for the part of research already undertaken.
- 4. In a Department where teachers are retiring, leaving or are proceeding on long leave on deputation or where unforeseen circumstances have necessitated a change of Supervisor, the DRC shall appoint Supervisor(s)/Co-Supervisor(s) as a supernumerary allotment. This may be approved by the respective BRS.

- 5. Faculty members with less than three years of service before superannuation shall not be allowed to take new research scholars under their supervision. However, such faculty members can continue to supervise Ph.D. scholars who are already registered until superannuation and as a co-supervisor after superannuation but not after attaining the age of 70 years. Faculty members who get reemployed after superannuation (after 65 yr of age) in the department will remain Supervisors for their existing PhD scholars.
- 6. Faculty members on deputation/long leave for more than a year may not be included in the list of proposed Supervisors in a Department and in determining the number of vacant scats.
- The DRC, on the recommendation of the Supervisor, may appoint scholars of eminence who may be residing in India or abroad, as Co-Supervisor(s).
- The recommendation of the DRC regarding the appointment of Supervisor(s) shall be approved by the respective BRS.
- Each Supervisor is entitled to take a fresh research scholar after submission of the thesis of his/her previously allotted research scholar, based on maximum permissible number for that faculty member.

## I. Research Advisory Committee

- I. There shall be a Research Advisory Committee for every research scholar, duly approved by the DRC. The Supervisor of the research scholar shall be the Convener of this Committee. The Committee will have at least three members, with at least one faculty member other than the Supervisor from the Department. This Committee shall have the following responsibilities:
  - a. To review the research proposal and finalize the topic of research.
  - b. To guide the Ph.D. research scholar to develop the study design and methodology of research and identify the course(s) that he/she may have to do.
  - c. To periodically review and assist in the progress of the research work of the Ph.D. research scholar.
- 2. The Ph.D. research scholar shall appear before the Research Advisory Committee once in six months to make a presentation of the progress of his/her work for evaluation and further guidance. The six-monthly progress reports with the comments of the Research Advisory Committee shall be submitted to the DRC with a copy to the research scholar.
- 3. In case the progress of the Ph.D. research scholar is unsatisfactory, the Research Advisory Committee shall record the reasons for the same and suggest corrective measures. If the Ph.D. research scholar fails to comply with these corrective measures, the Research Advisory Committee may recommend to the DRC with

specific reasons for cancellation of the registration of the Ph.D. research scholar from the Ph.D. programme and approved by the BRS

# J. Financial Assistance to Research Scholars

- Research scholars who have cleared National Level examinations with JRF or equivalent shall get financial assistance from the concerned funding agency.
- Research scholars who are working in projects as JRF and SRF shall get financial assistance from the designated projects.
- Research scholars, who do not have any financial assistance, may be awarded Non-NET UGC fellowships. The University, depending on the grant available from UGC, will determine the number of fellowships under this category annually.
- Financial assistance shall not be provided where the research scholar is availing paid study leave.
- Foreign research scholars must show proof of financial support for the duration of the Ph.D. enrolment.

#### K. Leave

- Any leave of more than thirty days from research work would require prior intimation and approval of the DRC and the BRS. This period shall be counted in the total duration for submission of thesis.
- On the recommendation of the Supervisor and the DRC, the BRS may permit the research scholar to be away from the University of Delhi to pursue research related to Ph.D. work for not more than two semesters after completion of the coursework.
- Female Ph.D. Scholars may be provided Maternity Leave/Child Care Leave for up to 240 days in the entire duration of the Ph.D. programme. This period shall not be counted in the total duration for submission of Ph.D. thesis.
- 4. The Supervisor must report an absence from research work by a research scholar due to illness, maternity leave or other circumstances to the DRC and BRS. Negligence of research work or any other acts of indiscipline must be recorded and reported to the DRC and the concerned BRS. On receipt of a complaint, the BRS may take appropriate action against the research scholar, including cancellation of his/her registration.
- 5. Only in exceptional cases, a research scholar may be allowed to de-register from the Ph.D. programme after successful completion of a minimum duration of three years on the recommendation of the DRC and the approval of the BRS. The research scholar shall re-register within a period of three years. The Ph.D. thesis should be submitted within such a period that the period of initial registration and re-registration does not exceed the duration of the Ph.D. programme.

L. Duration of Ph.D. Programme

- 1. As per UGC Regulations 2022, the Ph.D. programme shall be for a minimum duration of three (03) years, including coursework and a maximum duration of six (06) years from the date of registration to the Ph.D. programme.
- 2. As per UGC Regulations, 2022, a maximum of an additional two (2) years can be given through a process of re-registration as per the Statute/Ordinance of the Higher Educational Institution concerned; provided, however, that the total period for completion of a Ph.D. programme should not exceed eight (8) years from the date of admission in the Ph.D. programme.
  - For University of Delhi, the process of re-registration is as below:
  - For Ph.D. scholars, beyond a period of six years, a two (02) years extension can be granted through a re-registration by the Board of Research Studies on a written justification for the delay by the research scholar. The request of the research scholar has to be recommended by the Supervisor and DRC of the respective Department.
- 3. Female Ph.D. scholars and Persons with Disability (having more than 40% disability) may be allowed an additional relaxation of two (02) years; however, the total period for completion of a Ph.D. programme in such cases should not exceed ten (10) years from the date of registration in the Ph.D. programme.

## M. Evaluation and Assessment

- 1. Upon satisfactory completion of course work and obtaining the marks/grade prescribed in Clause E.11 above, the Ph.D. scholar shall be required to undertake research work and produce a draft thesis.
- 2. Prior to submission of the thesis, the Ph.D. research scholar shall make a pre-Ph.D. presentation in the Department before the Research Advisory Committee, which shall be open to all faculty members and other research scholars/students. The feedback and comments obtained from them may be suitably incorporated in the draft thesis in consultation with the Research Advisory Committee.
- 3. The research scholar shall submit the thesis after pre-Ph.D. presentation within a period of six months.
- 4. In case of issues related to Intellectual Property Rights, necessary patents shall be filed before disclosure in the seminar.
- 5. A Ph.D. scholar should publish at least two research papers in Scopus or UGC Care listed Journals before submission of thesis and produce evidence in form of letter or a reprint.
