

NCWEB Annual Report 2025

Namaskar, Welcome and Warm Greetings to one and all.

Annual day marks a moment of reflection and celebration. It is an occasion to revisit our achievements and milestones of the past academic session.

Before I present the Annual Report 2024–25, I extend a heartfelt welcome to our distinguished guests. It is indeed a privilege to have your presence with us today, inspiring and encouraging our young learners.

We also express our deep gratitude to the Director of NCWEB, Prof. Geeta Bhatt and Deputy Director of NCWEB, Dr. Surendra Singh, in absentia, and Principal of Maitreyi College, Prof. Haritma Chopra for their support and encouragement throughout the year.

In the academic year 2024–25, our commitment to holistic student development remained steadfast. We took pride not only in academics but also in nurturing student potential through co-curricular and extra-curricular activities.

The year began with an **Orientation Program for the 1st Year students on 21st September 2024**. Students were briefed about the National Education Policy (NEP) and the significant role of college life in shaping their future. The session was interactive and welcoming, setting a positive tone for the year.

Following this, on **1st September 2024**, we organized a **talk on handling mental stress and emotional changes**. This session was conducted by an experienced professional practicing homeopathy for 33 years, Dr. Shubha Tripathi who sensitized students about mental wellness and equipped them with coping strategies in today's demanding times.

To promote health and environmental consciousness, a **Health Camp and Plantation Drive** was held on **22nd September 2024**. The health camp provided a plethora of services like cardio, eyes, dental, BP, and Sugar tests by the team of experts from Max Super Specialty Smart Hospital, Saket and Dental Clove. The theme of the plantation drive was – '*Ek ped maa ke naam*'. Students participated enthusiastically and demonstrated their commitment to building a healthier and greener future.

Our students were privileged to attend a **Special Lecture on Ahilya Bai Holkar on 6th October 2024** by Ms. Manoshi Sinha, which provided inspiring insights into the life and contributions of the legendary queen. The same day also saw a vibrant **Book Exhibition**, further enriching the learning experience and fostering a culture of reading.

With an aim to prepare students for the dynamic job landscape, a **Career Development Workshop** was held on **27th October 2024** by Amigo Careers. Industry professionals guided students on career planning, resume building, and interview skills for management and hospitality sectors especially.

Our flagship cultural event, **Kaleidoscope Annual Cultural Fest**, was celebrated on **24th November 2024** with great zeal. Students showcased their talents through dance, music, art, and various creative competitions, adding vibrancy to the campus. Deputy Director of NCWEB, Dr. Surendra Singh, graced the occasion as Chief Guest.

Sports Day was celebrated on **23rd February 2025**, where students, faculty, and staff came together for a day of healthy competition and sporting spirit. Events like races, team games, and fun contests brought energy and camaraderie to the campus.

To familiarize students with the digital resources available to them, a **DU E-Library Workshop** was organized on **8th March 2025**, which coincided with the International Women's Day also. It aimed at training students to access and utilize academic resources effectively.

Throughout the year, our center has remained dedicated to nurturing well-rounded individuals who are not just academically competent but also socially and culturally aware.

I would like to conclude by expressing sincere thanks to our esteemed guests, the teaching and non-teaching staff, and our enthusiastic students who continue to make the Maitreyi College Centre a thriving academic space. Your unwavering support has been instrumental in the successful execution of all our events and initiatives.
