'Success is the sum of small efforts, repeated.' - R. Collier

Maitreyi College is a renowned college in the South Campus of the University of Delhi. It evidently justifies the allotted NAAC 'A++' grade. It offers a myriad comprehensive and sought-after courses at Undergraduate and Postgraduate level.

There are sundry societies and cells which exist under the aegis of the college's legacy and Horizon: The Placement Cell is one of the most vital such Cells.

The Placement Cell works for bridging the gap between potential recruiters and students who are eligible and are seeking pre-work experience and job roles.
