# ABOUT MAITREYI

Maitreyi College is a women's college in the South Campus of the University of Delhi, located in Bapu Dham, Chanakyapuri, New Delhi-110021, India. It was established in July 1967 and named after the Vedic sage Maitreyi.

Maitreyi College is an eminent constituent college of the University of Delhi, offering quality education to women. It offers various courses in the fields of Science, Arts and Commerce.

Among the distinguished achievements are its recognition among the top six colleges to receive Star status (for all Science departments) from the Department of Biotechnology (DBT), Government of India. Additionally, the institution attained an "A++" Grade during the NAAC Accreditation assessment. Secured a noteworthy all-India NIRF ranking of 36 as well and ranked 24 by India today.

Academic excellence is an established tradition of the college, accompanied with continuous achievements in the field of sports, extra-curricular, co-curricular and cultural activities. The college strives for a multidimensional approach towards holistic development of our fraternity (Maitreyi Kutumb). The primary areas of emphasis include promoting critical thinking and research stimulation, fostering inclusivity through community and social outreach, nurturing entrepreneurship, instilling environmental consciousness, enhancing employability and skills, encouraging interdisciplinary collaboration, and developing strategies for student enrichment and intervention to support their learning, among other objectives.

# WHY MAITREYIANS?

## ACADEMIC EXCELLENCE

College rigorous curriculum ,faculty expertise,and innovative teaching methods contribute to produvng well rounded and knowledgable students

## DISTINGUISHED FACULTY

Renowned for its exceptional faculty, Maitreyi College boasts experienced professors who not only impart academic knowledge but also mentor students, helping them develop critical thinking and analytical skills.

## INTERDISCIPLINARY APPROACH

The college emphasises interdisciplinary learning, enabling students to explore connections between different fields of study, promoting holistic understanding and adaptability.

## MULTIFACETED SOCIETIES

The diverse range of student societies at Maitreyi College caters to various interests, allowing students to engage in extracurricular activities that complement their academic pursuits and develop a well-rounded skill set.

## INDUSTRY LINKAGES

Maitreyi College has established strong ties with industries and organisations, facilitating internships, workshops, and guest lectures, which equips students with practical insights and makes them industry-ready.

## ALUMNI NETWORK

The strong and active alumni network of Maitreyi College provides ongoing support and mentorship to current students, aiding in career guidance and professional growth.

# ABOUT HORIZON

“At Horizon, we grasp your uniqueness and celebrate your journey. Let us be your guiding light as you navigate the realms of professional success with confidence.”

Horizon, the Placement Cell of Maitreyi College is an eminent part of the legacy of this esteemed institution, dedicated to facilitating the recruitment process for both students and employers. It fills in as an extension between the academic and corporate world, ensuring that the smooth interactions and righteous placement opportunities open doors for our students. The main objective of Horizon has been to equip students with the necessary skills, knowledge, and guidance to succeed in their chosen careers and serve as an asset to the college, as well as the fields they'll represent their college in.

Horizon executes its activities to align students' capabilities with industry expectations, increasing the chances of successful placements by organising training programs, workshops, guest lectures, covering indispensable aspects such as Resume Writing, Interview Skills, Group Discussions, Personality Development etc. Horizon actively engages with leading companies and organisations- thereby justifying its robust network of recruiters.

Over the past Placement seasons, Horizon has ensured students get their coveted work profiles and companies attain the talent and skills they are on the hunt for. It also aims to nurture democratic values, freedom of expression and creativity, growth of individuals and inclusivity of diverse backgrounds. This session saw a myriad eminent companies being onboarded with Horizon- like Deloitte, Accenture, Pwc, BCG etc. offering the best job and internship opportunities to students.

Overall, the Placement Cell of our college plays a crucial role in shaping the future of its students by serving as a supportive and guiding force, ensuring that students are well-prepared, confident, and ready to excel in the competitive job market.

## OUR VISION

- Igniting students' potential through vital skills
- Navigating the Employability Edge .
- Nurturing partnerships within the industry.
- Design personalised pathways to placements, steering students towards rewarding careers.
- Merging academia with Industry demands.
- Fuel holistic development through impactful internships, nurturing well-rounded individuals.

## OUR MISSION

“Together, we shape successful futures”

Our mission is to bridge the gap between students and professional opportunities, facilitating seamless transitions from academia to industry. Through strategic partnerships and personalised guidance, we empower students to realise their career potential while assisting companies in identifying top talent. Our devotion lies in cultivating an understanding of the advantages that placements and corporate paths bring to the Maitreyi community, a dedication that fills us with shared

# DEPARTMENTS OF THE CELL

## ***Corporate Networking***

Corporate Networking department is the solicitation of the potential companies who can offer various opportunities whether internship or jobs for our students.

## ***Data & Communication***

Data department is an association between the students and the companies. It helps the students to simplify the complex corporate jargon & coordinate with the companies for a smooth process.

## ***Corporate & Finance***

The Corporate and Finance department handles the finances of the cell. Its focus is to bring funds to the cell. Its efficiency and productivity makes the work the entire year.

## ***Graphics & Creatives***

# INITIATIVES BY THE CELL

## CV VETTING

The Placement cell conducted a CV Vetting drive in the college to assess students' resumes for internships, job placements and other opportunities. The cell has devised a thorough and efficient CV vetting procedure. CV Vetting serves by scrutinizing the CV of a student to acquire factual authenticity from it. The motive was to verify the validity of the CVs of the students and thus present only the precisely vetted CVs to the recruiters. We not only review the CVs, we sculpt individual stories of triumph. Our meticulous approach ensures that your strengths shine and your aspirations resonate, creating CVs that leave an indelible mark. Get ready to be noticed for all the right reasons.

## ALUMNI CONNECT

Past, present, and future converge in Maitreyi's alumni network. It's not just about who you were, but who you become. Our alumni initiatives are woven threads of connection, binding us to a shared history and propelling us towards a collective destiny. One such initiative to strengthen the bond was the "PLACEMENT BOOTCAMP SERIES" in which the cell invited some of the alumni to give training sessions and mentor their juniors on a wide variety of topics.

## WORKSHOPS & SEMINARS

Horizon introduced various opportunities to help students face the selection procedure confidently. This year, the cell provided skill enhancement and training sessions in collaboration with industry giants like JHU Carey Business School, RBI, Teach for India, Jio Institute and ITM Business School and many more organizations, which organized seminars/webinars to provide students with a competitive edge and a great sense of knowledge. These weren't just webinars/seminars, they were transformative experiences that provided a sneak peek into the dynamic corporate arena to the students.

# OUR ACHIEVEMENTS

The Placement Cell witnessed high increase in the number of students getting placed in Prestigious and reputed companies like Deloitte, PwC, Nestle, WTW, Accenture Crowe, HCL Tech, Zomato etc. got on-board with us for the session.

The major highlights of the session were over 25 well executed sessions by Top Organisations like: PWC ,US EMBASSY, Kings college London ,Byju's and year-along events entailing Placement Bootcamp Series, Study Abroad Fair, PG Education Fair and many more.

The Annual Job and Internship Fair of Horizon, known as Envision, is one of the most awaited events of the year for all the students. The fair was an incredible event with 78 reputed companies like Bajaj Capital, Piramal Finance, Techfin etc.

The most enthralling part was witnessing over 196 students being selected for internships and 215+ students being placed at lucrative full-time job opportunities. The highest CTC bestowed for the session 2023-24 was 23.5 LPA by DE Shaw and average CTC stood at Circa 5.7LPA

# “ TESTIMONIALS ”

**Tanvi Mittal**  
**Bcom (Hons) Batch 2023-24**  
**Placed at Deloitte**

I am deeply grateful to the placement cell for their exceptional support and guidance throughout the recruitment process. Being placed at Deloitte is a dream come true, made possible by the team's dedication and valuable resources. Their efforts in providing workshops, mock interviews, and industry insights were instrumental in my success. Thank you for making this journey so rewarding!

**Bakshish Kaur**  
**B.Com(Hons) Batch2023-24**  
**Placed at PwC**

I am incredibly thankful to the placement cell for their unwavering support throughout my journey. From resume building to mock interviews, they helped me at every step of the way. Securing a position at PwC is a dream come true and I owe it all to their exceptional efforts. Thank you!

**Hanshika khanna**  
**Bcom (Prg) Batch 2023-24**  
**Placed at Xalts with 20LPA CTC**

Horizon, the placement cell of Maitreyi College, has undoubtedly provided immense support and guidance throughout the entire process of final placements. Securing a position as a Business Development Associate at Xalts and achieving the highest package in the batch of 2024 is truly a dream come true, made possible by the team's dedication and valuable resources.

The recruitment journey was thorough and well-organized, starting with industry insights provided by Horizon, which were crucial in building our confidence and readiness. The selection process at Xalts involved several stages, each designed to evaluate different skills and attributes. The first stage was a group discussion that assessed our communication skills, teamwork, and quick thinking. This was followed by a personal interview round, where I had the opportunity to showcase my skills, experiences, and suitability for the role. The interviewers were insightful and thorough, making it a valuable learning experience.

The final stage was an interview with the founders of Xalts. This was an incredible opportunity to engage directly with the company's leaders and gain insights into their vision and expectations. Their questions were challenging and enlightening, making this round particularly memorable.

Throughout the entire process, Horizon provided unwavering support. Their continuous encouragement, personalized feedback, and commitment to excellence were pivotal to my success. I am immensely thankful to Horizon for bringing such a wonderful opportunity my way and making this journey so rewarding. The skills and confidence I have gained through this experience will undoubtedly shape my career in the most positive way.

# “ TESTIMONIALS ”

**Rashi Sharma**  
**B.Com(Hons) Batch2023-24**  
**Placed at Crowe**

From organizing insightful alumni talks to seamless placement drives, the placement cell has provided us unwavering support. I am grateful to the cell for helping me in securing a promising career opportunity at Crowe .

**Suhani Goyal**  
**B.Com(Hons) Batch2023-24**  
**Placed at Arcesium**

Placement cell's dedication and tireless efforts, from organizing various placement activities, connecting us to potential employers till the final selection into Arcesium has really played an important part in my career path.

**Vanshika Dutta**  
**B.Com(Hons) Batch2023-24**  
**Placed at HCL Tech**

The Placement Cell conducted a series of seminars that were highly insightful for making informed decisions about future my career path. Furthermore, they actively facilitated engagements with a diverse range of companies offering different career profiles, thereby, enabling other students as well to strategically step into their career aspirations. I am sincerely grateful to the placement cell for providing me with the opportunity to apply and secure a position at HCL Technologies.

# EMBARCKING ON MAITREYI'S UNIQUE RECRUITMENT EXPEDITION

*The Recruitment Process at Maitreyi is extremely recruiter friendly and hassle-free. Our Placement cell assists both parties in conducting a smooth and effective placement drive.*

## LETS CONNECT

Ready to explore top-tier talent? Reach out to HORIZON, Maitreyi's placement cell, through LinkedIn, telephone, or drop us a mail at [placement@maitreyi.du.ac.in](mailto:placement@maitreyi.du.ac.in). After confirmation, The recruiters can share the detailed information about the opportunity via mail.

## GUIDED COORDINATION

Enjoy a smooth process with a dedicated point of contact (POC) for seamless communication. All the coordination with respect to rounds including but not restricted to pre-placement/ Internship talk, CV shortlisting, Online tests, Group discussions, Personal interviews are facilitated by the cell in coordination with the recruiter. It helps the students to simplify the complex corporate jargon and coordinate with the companies for a smooth process.

## RECRUITMENT PROCESS

POC then drafts a message containing all the necessary details, along with a link to a Google Form for registration and a detailed job description form (JD). A poster is also designed by the Graphics and Creatives department of the cell. The message along with a poster are then circulated amongst the students in their respective groups. Interested students register through the Google Form link and In case of any query, they can get in touch with the POC.

## SEALING SUCCESS

Responses are shared with the company and the recruitment process is conducted in coordination with the recruiter by the cell. After the completion of the recruitment process, the final results are then shared by the placement cell to the selected students. In case required by the company, The placement cell also facilitates the communication regarding offer letters, date of joining etc. to the the candidates.
